

## The Yun Family's Ninth Child is an Imp! Chapter 2339

"Three masters, this flying spirit tool has some problems. There is a patch of grass in front of us. Let's land first. I will bring some people to check it out. I think it will be repaired very soon.

"If it is a big problem, I will call out another flying spirit tool. It will definitely not delay the three masters' journey." Deputy Butler Liu wiped the sweat on his forehead and said.

Ye Wenhong frowned. "Why didn't you check when we set off? Forget it. Anyway, we've already left the Sky Fire Valley. There shouldn't be any danger. Let's land."

Ye Wenhong was the oldest, so he made a decision. Yun chujiu and ye Bingyu naturally couldn't object, so the flying spirit tool landed on a piece of grass.

Everyone got off the flying spirit tool. Deputy housekeeper Liu brought people to check the flying spirit tool, while Yun Chujiu and the other two were casually looking at the scenery.

Yun chujiu frowned. This grassland was close to a dense forest. If there were people hiding in the dense forest, it would be very difficult to find them. In addition, housekeeper Fu was sick, and there was something strange about this flying spirit tool, could it be that Ge Shi or Liu Shi were stupid enough to want to kill her now?

Thinking of this, Yun Chujiu said to deputy housekeeper Liu, "Time is tight. Stop checking. Just summon another flying spirit tool!"

Deputy Butler Liu's eyes flickered. "Miss, I've found the problem. It'll be fixed in fifteen minutes. Besides, the speed of the other flying spirit tool is not as fast as this one. It's better to wait for this one to be fixed."

Yun chujiu was now ninety percent sure that there was something fishy going on. The only thing she was not sure about was whether ye Wenhong knew or not.

"Cousin Wenhong, what do you think we should do if a group of people comes out from the forest and wants to kill us?" Yun chujiu stared into ye Wenhong's eyes and said worriedly.

Ye Wenhong smiled. "Little Jiu, you are too daydreaming! Our Ye family is a first-class family. Who would dare to make a move on us? Don't worry. If someone really comes to kill us, I will protect you and Bingyu."

Yun chujiu saw that ye Wenhong's eyes were clear and there was no ambiguity in his words. It seemed that he did not know about it. It was just that those people would not kill him.

Moreover, it was because ye Wenhong was also on this flying spirit tool. Even if something happened, no one would suspect that it was Ge Shi or Liu Shi who did it. It was really a good plan.

“Cousin Wenhong, come over here. I want to talk to you for a moment.” Yun chujiu blinked her eyes to let ye Wenhong close to her ear.

Ye Wenhong did not understand what was going on. He walked up to Yun Chujiu and when he heard Yun Chujiu’s words, his face immediately turned ashen. He was just about to speak when Yun Chujiu said something again. Ye Wenhong snorted coldly and stood at the side without saying anything.

Ye Bingyu did not know what had happened. She tugged at Yun Chujiu’s sleeve. Her relationship with Ye Wenhong had always been good. As Ye Wenhong was a boy, he had always been taught by Ye Yuanliang and the old master. Fortunately, he did not grow crooked. He still took good care of Ye Bingyu.

Yun chujiu only smiled at Ye Bingyu and did not say anything. Ye Bingyu had already turned from a violent little lion into a little sheep. Therefore, when she saw that Yun Chujiu did not say anything, she did not dare to ask further.

At this moment, dozens of masked men suddenly rushed out from the dense forest and surrounded Yun chujiu and the rest.

Other than deputy butler Liu, Ye Yuanliang also sent ten guards to follow them. Those guards immediately protected Yun Chujiu and the other two in the middle and confronted the masked men.

Ye Wenhong's eyes flashed with disbelief. He glanced at Yun chujia who had a terrified expression on her face and looked at the masked men with a complicated expression.
