

The Yun Family's Ninth Child is an Imp! Chapter 2340

"Everyone, what do you mean by this? We are all members of the Ye family. Have you eaten the heart of a bear or the courage of a Leopard?" Deputy Butler Liu said loudly.

One of the masked men snorted coldly, "It's Your Ye family that's being robbed! Don't worry, our target is only that Yun Chujiu. As long as you hand her over, we will spare your lives. Otherwise, all of you will die!"

"How outrageous! Cousin Miss is a member of our ye family, why would we hand her over to you? ! Prepare to die!" Deputy Butler Liu said as he rushed towards the masked man.

Unfortunately, he was knocked down to the ground and tied up in less than ten moves.

Yun chujiu sneered in her heart. Acting should be more professional. As the deputy butler of the Ye family, would he be so impulsive as to go up and fight one-on-one? Moreover, was it necessary for him to be so useless?

The masked man said viciously, "If you don't want to die, then obediently hand Yun chujiu over to us. We have more than three times the number of you. If you persist in resisting, only death awaits you."

"I can go with you. After all, I have always been the most self-sacrificing person. I can't implicate them because of me. However, I want to know why you have captured me?" Yun Chujiu asked with a faint smile.

The masked man obviously didn't expect Yun chujiu to be so calm. He paused for a moment, then, he said, "It's very simple. Aren't You Tian Dao's favored son? My master wants to taste the taste of Tian Dao's favored son. If you serve my master well, maybe he will reward you as a concubine."

"YOU MOTHERF * cker! Little Jiu, don't be stupid. Let's rush out!"Ye Bingyu shouted angrily.

Yun chujiu looked at Ye Bingyu with satisfaction and then smiled at the masked man. "Tsk Tsk, I'm afraid your master will be disappointed! Your acting skills are really too clumsy. Cousin Wenhong, come over here for a moment."

Everyone present was a little dumbfounded. Yun Chujiu's words did not make sense. was she scared silly? !

Ye Wenhong's expression was very complicated. He gritted his teeth and walked in front of Yun Chujiu. Then, something that shocked everyone happened!

Yun chujiu actually took out a large kitchen knife and placed it on Ye Wenhong's neck. Ye Bingyu cried out in shock, "Little Jiu, are you crazy?"

"Idiot! If you don't want to die, come over! Protect my back."Yun Chujiu glared at her.

Ye Bingyu's body obviously reacted faster than her brain. She subconsciously formed a defensive stance with Yun Chujiu's back to back.

Housekeeper Fu, who was tied up, shouted loudly, "Miss Cousin, what are you doing? ! Are you crazy?"

Yun Chujiu revealed a mocking smile, "Deputy housekeeper Liu, is your master old Madam Ge or My Aunt Liu Shi?"

Housekeeper fu's pupils shrank, "You, what nonsense are you talking about? ! The Ye family is extremely indebted to you. You actually want to kill Young Master Wen Hong. You are simply unscrupulous!"

"TSK tsk, you speak as if you're a human!" "Enough, in front of me, your acting skills are insufficient. Be it Ge Shi or Liu Shi, you don't want my handsome cousin Wenhong to lose his life, right?" "If he were to suffer even the slightest bit of injury, I'm afraid that your family members would all die!" Yun Chujiu said mockingly.

The Masked Man and deputy housekeeper Liu, who were in the lead, revealed a look of panic in their eyes. The ten guards of the Ye residence were clearly a little dumbfounded. What was going on? !

Ye Wenhong saw the expressions of the masked man and deputy steward Liu and closed his eyes. He did not argue or struggle. It was clear that he had accepted his fate.
