

The Yun Family's Ninth Child is an Imp! Chapter 2342

Ye Bingyu's eyes twitched at the side. Damn it, don't joke around! You're the only one who's timid?

You dare to use a large kitchen knife to force Ge Shi's neck, you dare to snatch food from the Fire Eating Xiu's mouth, and you dare to play tricks in the coffin. If you're timid, there's no one in this world who's brave enough!

Ye Wenhong's face stiffened, and he said dryly, "The next time it's time for a break, I'll persuade them. Little Jiu, what are you going to do about this matter?"

Although Yun Chujiu had promised not to mention it to anyone, it was obviously not possible. After all, there were still ten guards from the Ye residence. There was no such thing as an impenetrable wall, and they would be exposed sooner or later.

"Sigh, Cousin Wenhong, I really want to hide this matter, but I'm afraid it's not possible. How about this, I'll do you a favor and you tell aunt about it."

Whether it's what she did or grandmother Ge did, push the blame to that deputy butler Liu and the masked leader, and then kill them to silence them.., this matter will not be traced back to them." Yun chujiu picked up a spirit fruit and said to Ye Wenhong as she chewed on it.

Ye Wenhong suddenly stood up. Ye Bingyu, who was at the side, suddenly became nervous, but Yun Chujiu did not care at all and continued to eat the fruit happily.

Crack, crack!

Ye Wenhong let out a long sigh and sat back in his chair dejectedly. "Little Jiu, you are indeed, indeed..."

Ye Wenhong really could not say the ruthless words in his heart. Little Jiu had only used the people behind the scenes to kill Deputy Butler Liu and the masked leader. If one wanted to say ruthless words, it should be the culprit behind the scenes.

However, she was so decisive and shrewd at such a young age. How could his mother and grandmother be her opponent? If she made mistakes again and again, she was afraid that she would only end up dead.

"Sure enough, what? Sure enough, she is ruthless? Cousin Wenhong, being merciful to the enemy is being cruel to yourself. Today, I did not blow up the matter because of you. Otherwise, it would not be a matter of two small lackeys dying." Yun chujiu threw the fruit core aside, she leaned back on the chair and said faintly.

Ye Wenhong nodded with a complicated expression. "Little Jiu, you don't have to say anymore. I understand. I'll do as you say."

Very soon, the spaceship arrived at the outskirts of Tianluo City.

The ten guards of the Ye residence looked at each other. They were really uncertain. This young lady said that she would save their lives, but after hearing this, the person behind this assassination was actually the old madam or the first madam, was there any way for them to survive?

At this moment., yun chujiu waved at them. “You don’t have to return to the Ye family for the time being. I will tell great-grandfather that you will follow me from now on! “Take these spirit stones. Rent a courtyard in Tian Luo City and wait for my orders at all times.”

Although the guards were very surprised, it was better to save their lives than anything else. Moreover, although this young lady’s spiritual power was a little low, her brain was too smart. It was definitely not wrong to follow her.

Ye Wenhong watched coldly from the side. He couldn’t help but admire her even more. Not only did this little cousin resolve a crisis, she even took the opportunity to subdue ten guards. She was truly extremely intelligent.

Everyone entered Tianluo City. The guards of the Ye residence sent Yun Chujiu to the gate of the Xingtian Academy. Only then did they follow Yun Chujiu’s instructions to rent a courtyard.

After Yun Chujiu entered the Xingtian Academy, she went straight to Dean Gongsun’s study. Yes, she used the back door.
