

The Yun Family's Ninth Child is an Imp! Chapter 2343

After all, she had delayed her lessons for three days. If she didn't use the back door, she might not be punished!

After the guards passed the message, Yun Chujiu entered Dean Gongsun's study room.

Dean Gongsun had good ears and eyes. He already knew most of the things that had happened to Yun Chujiu in the past few days. He couldn't help but be surprised. He didn't expect that in just a few days, MO fangcao, OH, no, Yun Chujiu had actually gone from a distant branch of a third-class family.., she had suddenly become the daughter of a first-grade family, and was even rumored to be the favored child of the Tian Dao. It was really surprising.

Yun chujiu bowed respectfully and took out Old Master Ye's personal letter and handed it to Dean Gongsun.

Originally, Old Master Ye wanted ye Yuanliang to write this letter, but Yun Chujiu was smart enough to beg Old Master Ye to write one. What a joke. Old Master Ye's face was much greater than ye Yuanliang's.

As expected, Dean Gongsun's expression turned solemn when he saw great-grandfather ye's private seal on the envelope.

After Dean Gongsun finished reading the letter, he pondered for a moment. “Mo, Yun Chujiu, although there is a reason for this, you have also delayed three days of classes. According to the Academy’s Rules...”

Dean Gongsun had yet to finish his words, Yun Chujiu took out a jade box and placed it on the table. “Great-grandfather dean, this is the inner core of the three-eyed purple-tailed iron-clawed eagle that I accidentally obtained. My knowledge is limited, so it would be a waste to leave it with me. I’ll give it to you!”

Although Dean Gongsun wasn’t an ignorant person, the inner core of the 45th level three-eyed purple-tailed iron-clawed eagle was priceless and couldn’t be bought even if one had money. He was somewhat tempted.

Yun chujiu was very shrewd. She knew that there was a reason for this when she saw the change in Dean Gongsun’s expression, then, she said, “Actually, I’m giving you this inner core because I’m asking for your help. I know that you’re good at refining pills. If you use it to refine pills in the future and give me a few, I’ll be eternally grateful.”

“Alright!” “In the future, when I refine pills, I’ll give you a bottle.” “Even though you’ve delayed the course for three days, it happened too suddenly, and it wasn’t under the control of manpower. Let’s forget about it this time. It Won’t happen again.” Dean Gongsun said seriously.

“Yes! I’ll definitely strictly abide by the academy’s discipline in the future. Lord Dean, I’ll take my leave then.” Yun chujiu cursed in her heart. Sure enough, money could make the devil move the Millstone.

Dean Gongsun waved his hand. Yun chujiu then respectfully left Dean Gongsun's courtyard and strolled towards the dormitory.

This fellow conveniently picked the fruit on the fruit tree by the roadside and chewed as he walked.

It was currently lunchtime and there were many people on the road. However, when everyone saw Yun chujiu picking the fruit, they acted as if they didn't see it. What a joke. If they went to report it, they would be looking for trouble.

Just as Yun Chujiu was walking forward, Jin Zhi and Xue Wuji ran over. "Little Jiu! You're finally back!"

The three of them chatted and laughed as they walked towards the dormitory. At this moment, they were blocked by someone.

Yun chujiu looked and saw that the person who blocked the road was Zhu Jingtie and his followers. "Mo Fangcao! Don't think that you're so great just because you have points. I've asked around. Your family is just a distant branch of the Mo family.

"Do you know where I come from, young master? "I'm from the Zhu family. Our Zhu family is a second-class family. If you don't satisfy me today, I'll Make Your Mo family suffer!"

The reason why Zhu Jingtie was acting like this was Xi Ruoxia's idea. Since there was no way to teach Yun chujie a lesson, then she would use her family to threaten her. She would definitely give in.
