

## The Yun Family's Ninth Child is an Imp! Chapter 2344

Zhu Jingtie's clamor naturally attracted a lot of onlookers. Mo fangbing was among them.

When she heard Zhu Jingtie's words, she squeezed out of the crowd and said to Zhu jingtie, "Zhu Jingtie, my mother is also a member of the Zhu family. Our Mo family and the Zhu family are in-laws. Let's forget about this matter."

Zhu jingtie glanced at Mo fangbing, he sneered, "Your mother is just a concubine's daughter. How can she be considered in-laws? ! Cut the crap. Mo fangbing, if you kneel at my feet and Kowtow to me a hundred times, I will show mercy and spare you. Otherwise, not to mention that small branch of yours, even the original family of the Mo family will be in trouble!"

Mo fangbing's face turned red from Zhu Jingtie's ridicule. She could not help but vent her anger on Yun Chujiu. She stared at Yun chujiu coldly, "Fangbing, the disaster was caused by you. You Won't let the family be implicated by you, right? !"

Yun chujiu glanced at Mo fangbing and said, "Sister fangbing, according to your opinion, what should I do?"

"I don't care what you do. Just don't implicate the family. Great-grandfather shouldn't have helped you manage the identity of a resident of the eastern continent. He really raised an ingrate." Mo fangbing glared at Yun Chujiu with resentment, she originally thought that she wouldn't be implicated if she drew a clear line with her. She didn't expect that she would still be implicated.

Zhu Jingtie said smugly from the side, “Mo Fangcao, did you hear that? Your Mo family wishes to cut ties with you! You are really pitiful! Why aren’t you kneeling down? Otherwise, the Mo family might remove you from the list!”

The surrounding people discussed animatedly. This Mo Fangcao was probably going to admit defeat this time. No matter how many points she had, how could she not care about the life and death of her family? Although that Zhu Jingtie was not a direct descendant of the Zhu family, his grandfather was a brother of the Zhu family’s family head, so he could still have some say in the Zhu family.

Mo Fangcao was only a distant descendant of a third-class family. Her status could be said to be very different. She had no other choice but to admit defeat.

At this moment, the crowd saw that Yun chujiu actually giggled and laughed very happily.

Is this guy crazy?

Is he trying to pretend to be crazy to get out of this? He can only hide from chuyi, but he can’t hide from fifteen. Can he continue to pretend to be crazy?

Just as everyone was thinking about it., they saw Yun Chujiu take out an identity jade token. “You want to use your identity to pressure me? TSK TSK, I originally thought that using your identity to pressure others wasn’t something to be proud of. After all, people can’t decide where you come from.

However, since you are willing to do this, I can only follow your example! “Here, open your dog eyes and look at this identity jade token. Look at my current identity.”

Zhu Jingtie did not even look at the jade token in Yun Chujiu’s hand. He curled his lips and said, “You are really boasting shamelessly. What other identity can you have? Aren’t you just a distant relative of the Mo Family? You even have a jade token. You really overestimate yourself.”

Yun Chujiu didn’t argue with him. She pointed at a student and said, “Come here. Help him take a look at this jade token.”

The student who was pointed at took the jade token casually. However, when he saw the material and content of the jade token, his hand trembled. His eyes were wide open and his mouth was wide open. He couldn’t say a word.

Seeing this, Zhu Jingtie said with even more disdain, “I guess no one has seen your identity jade token in the western continent. Don’t embarrass yourself by taking it out.”

Hearing Zhu Jingtie’s words, the student shook his head repeatedly and cried out in surprise, “No, no, no. Ye, ye family, first-class, first-class, first-wife daughter!”
