

## **The Yun Family's Ninth Child is an Imp! Chapter 2351**

Other than the rocks on the ground, there were also many rocks of different sizes. The big ones were a few feet tall, while the small ones were only the size of a thumb.

There were strange rocks all over the ground, and the whole place was desolate. There was not even a hint of life.

Yun chujiu climbed onto a big rock and looked into the distance. Everything was the same, except for the rocks.

This guy couldn't help but feel frustrated. He had spent a lot of effort and almost fainted from exhaustion. He didn't even get a shard of the shell. He was really unlucky!

The three of them originally planned to climb down, but it was getting late. They decided to sleep on the top of the mountain for a night and climb down the next day.

The Moon Rose, and the light gently covered the entire deep pit.

Yun chujiu was about to take out the universal tent to sleep when she heard a movement below the cliff. It seemed that someone was calling for help.

Yun chujiu frowned. Could it be that someone had encountered a high-level demon beast? If they had encountered a high-level demon beast, wouldn't it be over? Was there a need to shout so loudly? Was it a bitter scene?

Xue Wuji and Jin Zhi also heard the movement. The three of them looked at each other, then quietly went to the side of the stone wall and looked down.

Fortunately, it was the 15th night, and the Moon was round and bright, so the three of them could see the general situation below.

They saw a person stumbling in front of them, screaming for help while running, and behind him was a person emitting red light?

Perhaps it could not be called a person, because that thing seemed to be floating, more like a remnant soul.

“Keke, Little Ant, where are you running to? ! I've just awakened my intelligence, and you fresh blood slaves have come to my door. The heavens are really helping me!”

The person who was running in front saw that there was no hope of escaping, so he knelt on the ground. “God, spare me! God, spare me! As long as you let me go, I'll do anything you want!”

“God? Pui! I’m not that kind of useless thing! I’m a Xue Mo! Back then, I was suppressed by the heaven-punisher divine axe, and my soul was almost destroyed!

“Fortunately, the heaven-punisher divine axe went missing and I was able to save my life. Now, fresh blood slaves like you have come to my doorstep. This is a good opportunity for me to make a comeback!”

“Master Xue Mo, Please Spare My Life! Master Xue Mo, Please Spare My Life! As long as you let me go, I, I will definitely find more living people for you to enjoy.”The man said with a trembling voice.

Yun Chujiu felt that this voice was somewhat familiar. It seemed to be Zhu Jingtie’s voice.

Xue Mo laughed strangely. “Don’t lie to me. I used the fragments of the Godly Axe’s shell to attract you guys. Not a single fish escaped from the net. Where are you going to find fresh blood slaves for me?”

“No! No! There are still three people who haven’t been captured by you! One of them has a mutated wind spirit root, and the other one has a heavenly thunder spirit root. Their blood will definitely be very nutritious. “I’ll help you find them. Please don’t kill me!”Zhu jingtie begged while kowtowing.

Xue Mo’s hand suddenly expanded and grabbed Zhu Jingtie’s clothes. “What did you say? There’s another Heavenly Thunder Spirit Root? where is he?”

“She, she should have fallen behind. The three of them have low spiritual power, so they probably don’t dare to walk too fast for fear of being attacked by demonic beasts. Master Xue Mo, what I said is true. Please spare me!”

“Humph! Take me to them. If you find them, I will let you become the leader of the blood slaves and stop sucking your blood. If you can’t find them, I will kill you directly!”Xue Mo said sinisterly.
