

The Yun Family's Ninth Child is an Imp! Chapter 2352

Zhu jingtie repeatedly promised, "Don't worry, they definitely won't be able to escape from your grasp! Not only is that wretched girl a heavenly thunder spirit root, I heard that she is also the darling of the Tian Dao. Her blood must taste very good."

"Jie Jie, I don't care if she is a darling or not, as long as she is a heavenly thunder spirit root, i will definitely drink her blood! Let's go, quickly bring me to find them."

..

It was not until the figures of Xue Mo and Zhu Jingtie disappeared that Yun Chujiu and the other two dared to quietly leave the stone wall. They ran for a long distance before they stopped.

The three of them were shocked. It was the first time they heard that there were demons in this world. Didn't they say that demons had been extinct for hundreds of thousands of years? Why would there be one here?

The first reaction of the three people was to activate the jade token, wanting to get out. However, after they discovered that they had activated the jade token, there was no reaction at all!

"It must be that Xue Mo did something. Otherwise, the others would have escaped long ago."Yun Chujiu said with a frown.

“Then what should we do now?”? Although that Xue Mo wouldn’t be able to find us for a while, from what it said, it was determined to get little jiu. Perhaps it would find a loophole and climb up to catch us.”Jin Zhi said with concern.

Yun Chujiu’s eyes flashed with a trace of sternness. “There’s only one way now, and that’s to strike first and find those trapped people. Only by gathering all of our strength can we have a glimmer of hope to kill Xue Mo..”

Xue Wuji nodded. “I agree with little jiu. Xue Mo and Zhu Jingtie will need at least two to three days to search the entire divine axe pit. As long as we hurry up, we can find the place where the others are trapped.”

Jin Zhi felt that it was a bit risky, but there was no better way, so she could only nod in agreement.

“According to the difference in strength between Zhu Jingtie and Xue Mo, the place where those people are trapped must not be far from here. “But if we use sticky wires to climb down, it will be a waste of time. Let’s use the rope to swing down.”Yun chujiu rolled her eyes and said.

“Little jiu, but this rope has to be fixed somewhere. There aren’t any big trees here, so how can we use it to fix the rope?”Jin Zhi looked around. There were only rocks and stones on the ground, so there was no way to fix the rope.

Yun chujiu curled the corner of her mouth and pulled out Xiao Hei. Then she said, "Let Mickey help us pull one end of the rope, and then we'll swing down one by one."

Xue Wuji and Jin Zhi were dumbfounded. Xiao Hei, are you sure you're not joking?

This Xiao Hei was not even a foot long. How could it bear the weight of a person?

Yun Chujiu did not explain. She directly took out a bundle of rope and handed one end to Xiao Hei. The other end was tied to her waist. Then, she swung it down the stone wall.

Jin Zhi and Xue Wuji almost cried out in shock. This Xiao Hei was really audacious. Wasn't he courting death? !

The two of them were about to help Xiao Hei with the rope, but they were surprised to find that Xiao Hei was completely at ease. It calmly grabbed the rope with its two front claws and sat on the ground without moving at all.

Alright! A perverted spiritual pet was indeed perverse!

Not long after, Yun chujiu swung onto the ground and then untied the rope around her waist. After Xiao Hei pulled the rope up, it successively pulled Jin Zhi and Xue Wuji down as well.

Finally, Xiao Hei released the rope.

After Yun Chujiu put the rope away, she placed dozens of sacks of talisman paper on the sand. Only then did Xiao Hei jump down.
