

The Yun Family's Ninth Child is an Imp! Chapter 2358

Xue Mo spat out another mouthful of poisonous mist at Yun Chujiu as he spoke. Although his strength was extremely heaven-defying in the past, he had been suppressed for so many years and had just awakened. His strength was less than one-hundredth of his previous strength, he could only rely on the poisonous mist to win.

If Xue Mo's strength was not greatly reduced now, he would not have failed to notice that there were many people hiding in the bushes in the distance.

Xue Mo had thought that Yun Chujiu would definitely become more stiff after the poisonous mist was sprayed out. Who would have thought that Yun chujiu would not only not slow down, but become more active instead!

"Hey! You Old Bat, you still call yourself a Xue Mo? ptui! I see that you are just a smelly bat who does not dare to see others! How can someone like you be called a demon? You Are Really Shameless!"

"If all demons are as cowardly as you, why don't you just change your name to Bastard Demon!"

"Look at you, you're simply brainless! What kind of place is this? This is the place where the Heaven Punisher Divine Axe was born. You, an old bat, actually dared to behave atrociously here. I think you've had enough of living!"

..

Xue Mo's aura kept howling. When had it ever been cursed like this. ! Even the person who had subdued it had never belittled it like this. However, it was just too weak now. Even after a long time, it was still unable to restrain Yun Chujiu.

Xue Mo glared at Zhu Jingtie at the side. "You piece of trash? ! What are you still standing there for? Hurry up and help me catch this smelly girl!"

"Zhu Jingtie, if you dare to help the old bat, I'll kill you!" Yun Chujiu said fiercely.

Zhu Jingtie couldn't help but shiver, but when he remembered the matter of kneeling to Yun Chujiu, he felt disgusted and said with a sinister smile, "B * Tch! You Can't even protect yourself, and you still dare to threaten me? Die!"

Yun chujiu sneered. She was really courting death. It would be a waste if she didn't kill him today.

Yun Chujiu had already probed the depth of Xue Mo, so there was no need to hide it. She whistled, and the people who were lying in ambush rushed over.

Xue Mo was shocked. How was this possible? How did all these people escape? No wonder he felt that someone had touched the array formation. It was them!

Zhu jingtie almost collapsed to the ground. He knew that these people would not spare him, especially after he drank the blood of one of them. It was over! He could only hope that these people were not Xue Mo's match. Otherwise, there was no way for him to survive.

However, when he saw that those people had the same thing on their faces as Yun Chujiu, his heart turned cold. It was because of this mask that Yun Chujiu was not afraid of Xue Mo's poisonous fog, those people probably were not afraid of Xue Mo's poisonous fog either.

Those students followed Yun Chujiu's instructions and began to attack Xue Mo with their spiritual power.

Some students hated that Zhu Jingtie was in cahoots with Xue Mo, so some directly attacked Xue Mo with their spiritual power.

Yun Chujiu had already jumped to the side and attacked Xue Mo with the others.

At this time, the Sun had already risen from the east, and Xue Mo's figure became a little faint. Xue Mo was in a hurry to get away and rushed to the students in front of it, spitting out poisonous fog as it rushed.

“Stop it! It’s already at the end of its flight. If we let it escape, there will be endless trouble in the future!” Yun chujju hurriedly shouted to the others.

Those students might have been caught by the Xue Mo previously, so they had a shadow. Therefore, even though they heard Yun Chujiu’s shout, they knew what to do. However, they could not help but avoid it.

Yun chujju was so angry that she gritted her teeth. She could only let the little black bird curse. She was trying her best. The little black bird had cursed humans and demonic beasts before. However, this was the first time it had cursed a demon. She did not know whether it would be useful or not.
