

The Yun Family's Ninth Child is an Imp! Chapter 2361

When Jin Zhi heard what Zhai Shanshan said, she roared angrily, "Little Jiu is still in its hands. If it uses fire to attack, what Will Little Jiu Do?"

Zhai Shanshan snorted coldly. "This is something that can not be helped. Do you want everyone to be buried with her?"

Jin Zhi was trembling with anger. "You, you are simply ungrateful! If it was not for Little Jiu, would you have escaped from the cave? Now, you actually want to repay kindness with hatred. You are simply Inhuman!"

"One yard is one yard. I'm naturally grateful that she saved me, but now she can't be the cause of all of us being buried together, right? Don't you agree?" Zhai Shanshan turned to ask the other students.

Everyone's reactions were different. Although some did not say anything, they were already prepared to attack. It was obvious that they agreed with Zhai Shanshan's idea.

Some people looked like they were struggling. It was obvious that they did not know if they were protecting their lives against their conscience or sticking to their morals.

Some of them looked disapproving. They clearly felt that Zhai Shanshan's actions were no different from Zhu Jingtie's.

Yun Chujiu, this fellow, was being strangled by Xue Mo. she actually had the leisure to record the performance of these people in the black book. It had to be said that this fellow's heart was big enough.

This fellow knew that in order to recover her power, Xue Mo would not kill her. It would feed her slowly and drink her blood. However, how could he escape? He could not really be killed by his own people, right?

Xue Mo heard what Zhai Shanshan said, he could not help but laugh strangely. "Jie Jie, I told you that humans are the most selfish and despicable species. You See, it's true, right? Stupid girl, what's the use of you saving them? In the end, don't they still have to sacrifice you?"

Some people could not help but look ashamed when they heard Xue Mo's words. Yes, if they really sacrificed Yun chujiu, then what was the difference between them and a demon?

Those who were initially hesitant, upon hearing Xue Mo's words, became firm in their beliefs and stood on Jin Zhi's side.

Zhai Shanshan was afraid that the more time passed, the bigger the change would be. She said to those who agreed with her, "What are all of you still standing there for? Hurry up and use fire to attack Xue Mo!"

Xue Wuji, Jin Zhi, and the others naturally would not let them do that. They blocked the way in front of them, and the situation was in a stalemate for a moment.

Xue Mo lowered his head and wanted to bite Yun Chujiu's neck. No matter what, he wanted to drink some blood to replenish his strength.

Just as Xue Mo's mouth was about to touch Yun Chujiu's neck, the large kitchen knife suddenly flew up from the ground and slashed at Xue Mo..

Xue Mo felt the wind behind him, and he flicked his sleeve carelessly. He thought that he would definitely be able to deflect the large kitchen knife, but he did not expect that the moment the large kitchen knife hit his body, an intense tearing pain came from his body, it was even more painful than being burned by a small flame.

Xue Mo suddenly trembled, and he even let go of Yun Chujiu's hand. He recalled the days when he was suppressed by the Heaven Punisher Divine Axe. Could it be? No, it was impossible!

Xue Mo did not continue to think because the kitchen knife seemed to have gone mad as it continued to hit his body. Wherever the kitchen knife slashed, Xue Mo's body instantly turned into nothingness.

Yun chujiu coughed for a while, and the small flame in her hand also hacked towards Xue Mo. Damn it, it almost turned into its melodious beauty, burning you to death!

The students of Xingtian Academy also reacted and began to fire at Xue Mo. all kinds of fire-type attacks smashed towards Xue Mo..

Finally, Xue Mo's body completely disappeared. The large kitchen knife fell to the ground with a clang, as if everything before was just an illusion.
