

The Yun Family's Ninth Child is an Imp! Chapter 2364

Dean Gongsun Sighed. After such a big incident, he could only personally make a trip to the ye family.

On the same day, Dean Gongsun set out to the ye family.

Old Master Ye heard a servant report that Dean Gongsun was here and was very puzzled. Why was this old thing here? Could it be that something had happened to little nine?

When Old Master Ye saw Dean Gongsun's expression, he had an ominous premonition in his heart. "Did something happen to Little Jiu?"

Dean Gongsun let out a long sigh and recounted what had happened, he did not hide the fact that he had discovered the array leaf. "Old friend, don't worry. I will definitely give your ye family an explanation! Moreover, Yun Chujiu is blessed with great fortune. She will definitely return safely in the future."

Dean Gongsun felt his conscience ache when he said these words. Ten years! He had wasted such a good time! Moreover, what if she did not come out?

Old Master Ye sat on the chair without saying a word for a long time. was this great-granddaughter recognizing him back to test this old heart of his? It had only been more than a month since he had recognized her, yet so many things had actually happened.

“Although Yun Chujiu was a little arrogant in the academy, she still did not have the ability to make such a big move to harm her. Old Friend, do you have any suspects?”

Great-grandfather ye’s pupils constricted. He recalled the matter that Ye Bingyu had sent back the last time. Could it be that it was Ge Shi or Liu Shi who was behind this again?

Although great-grandfather ye had doubts in his heart, he could not expose his family’s dirty laundry. He could only say, “I don’t have any leads either. You can start with the formation disk first. You can definitely pull out the mastermind behind this.”

A faint light flashed in Dean Gongsun’s eyes. He did not let go of the slight change in great-grandfather ye’s expression. He sighed in his heart. It seemed that the members of the Ye family did not all welcome Yun Chujiu!

The two of them chatted for a while more before Dean Gongsun stood up and took his leave.

Great-grandfather ye returned to the study room and sat there in a daze for a while. If this continued, the Ye family would be finished sooner or later!

Since that person was able to make a move in the Heaven Punisher Academy, it meant that he must be a teacher of the Heaven Punisher Academy. To be able to order that teacher to take risks and harm others, was it Ge Shi or Liu Shi?

Old Master Ye took out a voice transmission talisman and said a few words. A moment later, an ordinary-looking man in black entered the room.

“Master! What orders do you have?”The Man in black felt his heart beating a little. They were the secret guards of the Ye family’s secret guards. They were the ye family’s trump card. Unless the ye family had an extremely important matter, they would not be used.

“Hei Qiong, bring some people to investigate Ge Shi and Liu Shi’s recent actions. Find out if they are related to Little Jiu’s matter.”Old Master Ye briefly recounted the incident where Yun Chujiu was robbed and the divine ax heavenly pit.

Hei Qiong nodded in agreement. After he left, he left Old Master Ye’s study.

Soon, the Ye family learned that Yun Chujiu was trapped in the divine ax heavenly pit. Of course, they did not know anything about the formation leaves.

Min Shi and ye Zhiyong were naturally very sad. Little Jiu had just “Died”in the beginning and now she was trapped in the divine ax heavenly pit. It was truly a disaster.

When Ye Bingying heard the news, she was overjoyed, she hurriedly went to find Liu Shi. “Mother! You’re really amazing! Even if that little slut didn’t die in there, she would still be out ten years later. At that time, who would still remember her? !”

Liu Shi’s expression was complicated as she said, “Bingying, although mother did arrange for someone at Xingtian Academy, that person didn’t have the time to make a move.”
