

## The Yun Family's Ninth Child is an Imp! Chapter 2372

Yun Chujiu and the other two followed the two men out. Yun chujiu said fawningly, "The fact that the two big brothers are able to work in the fan family is really enviable. Unlike us, who have low spiritual power and are unable to enter the fan family."

One of them snorted coldly, "Of course. The fan family is a super aristocratic family. Trash like you naturally can not enter."

Yun Chujiu's heart skipped a beat. It was indeed the fan family that ye Xinwan married. Ye Xinwan was capable of snatching her stepsister's fiancé. She was probably not a good person. It was better to leave this place as soon as possible.

Yun chujiu saw the entrance to the back of the mountain from afar. Before she could breathe a sigh of relief, she saw a young man walking towards her, followed by eight followers.

"Oh no! Why is Young Master Mingchuan Here? be more tactful later. If you offend Young Master Mingchuan, not only you, but we will all die, do you hear me?"The garlic nose said fiercely.

Yun Chujiu's heart tightened. Young Master Mingchuan? Could it be that fan Mingchuan who was born from Ye Xin Wan? It was really a narrow road for enemies!

Yun chujiu silently sized up fan Mingchuan a few times. No Wonder Old Master Ye said that he was highly regarded by the head of the fan family. He did not look like an ignorant silkpants.

However, if that was the case, it would be very difficult to fool him. He might even be charged with breaking into the back of the mountain.

If he revealed his identity and was worried that ye Xinwan would attack him, he would really be in a dilemma.

Fan Mingchuan frowned when he saw Yun chujia and the other two. The three of them looked disheveled and their faces were gray. Moreover, their spiritual power was very low. What was going on?

“Chen, who are they? This is the forbidden area of the back mountain. How can there be outsiders?” Fan Mingchuan asked unhappily with a gloomy face.

“Young Master Mingchuan, the two of us found them when we were patrolling. They said that they accidentally entered the back mountain a few days ago when there was lightning and thunder. Then, they got lost.” The garlic nose nodded and bowed.

Fan Mingchuan frowned. “Everyone within a radius of a hundred Li knows that this mountain range belongs to our fan family. It’s strictly forbidden to go near it. Why are you guys going near it? Tell us!”

Fan Mingchuan used his coercion when he spoke. The legs of the garlic nose and Jin Zhi felt a little weak, and they almost knelt down.

Xue Wuji and Jin Zhi were slightly uncomfortable, and Yun Chujiu was fine. However, when they saw the garlic nose and Jin Zhi, they pretended to tremble slightly.

“This... young master, we didn’t mean to get close to this mountain range. “You know, the situation that day was too terrible. We wanted to find a place to hide, but we were too scared. In addition, the sky was dark, so we approached this mountain range in a daze and ran into it in a panic.

“We wanted to come out, but we chose the wrong direction and walked into the desert. We were almost roasted into dried meat, and just when we returned.., we met these two benefactors.”Yun chujiu made up a lie based on the information they revealed.

Fan Mingchuan frowned. “You came out of the Desert?”

Yun chujiu nodded. “Yes, look, we still have sand on us!”

“HMPH! If you didn’t come out of the desert, we can let you live. Tie you up and find a place to kill you. Don’t dirty the back of the mountain,”Fan Mingchuan said coldly.

F \* ck!

For the first time, she made up a story about a hornet's nest. Yun chujiu asked in horror, "Young Master, you have to let us die! What's wrong with the desert? There's nothing in it!"
