

## The Yun Family's Ninth Child is an Imp! Chapter 2378

Yun chujiu sighed and comforted him, "Uncle, don't be sad. We will go out sooner or later."

The people in the canteen laughed bitterly. One of them said self-deprecatingly, "Little girl, just give up! There is only one kind of people who go out, and that is dead people!"

Yun Chujiu had a frightened look on her face. "It can't be, right? Then what if they get sick and can't Work?"

"Then they'll be killed immediately. How could they waste their pills on us? ! A good brother of mine was killed just because he got sick."The person who spoke sounded a little choked.

"They simply don't treat us as human beings! Don't tell me we can only wait here to die? Are you guys willing to do that?"Yun chujiu stomped her feet and said unwillingly.

"So what if I'm not willing to do that? "The fan family is a super aristocratic family. They can be said to be able to cover the sky with one hand. Even if we manage to escape, we will still be caught in the end. Moreover, we won't be able to avoid a beating "Moreover, this place is heavily guarded. Even if we want to escape, we won't be able to escape."

"That might not be the case! Forget it, I'm just casually saying. You guys continue to chat and don't bother about me."Yun chujiu acted as if she had let the cat out of the bag and didn't say anything else.

Xue Wuji and Jin Zhi looked at each other. This guy had started fishing again.

As expected, those people were not willing to let it go. They were like drowning people. Even if someone from above threw down a straw, they would not let it go.

“Little girl, do you have a way to escape?”

“Yes, little girl. We are all bound by the same fate. If you have a way, hurry up and tell us. We promise that it will not be leaked.”

“If you don’t believe me, I swear right now that if I tell anyone about what happened today, my soul will scatter and I will die a horrible death!”

“Yes, I swear too!”

..

“Aiya! You uncles are really too honest! Why did you swear? ! How could I not believe you?”Yun chujiu said with some embarrassment.

The corners of Xue Wuji and Jin Zhi’s mouths twitched. If you are sincere, don’t wait until the other party has finished swearing. Hypocrite!

Those people were in a hurry to find a way to escape, so they couldn’t care less about these things. They all stared at Yun Chujiu with eager eyes.

“Uncles, don’t stop. Walk forward normally. Otherwise, you will attract the attention of the guards.”Yun chujiu saw that someone was looking in their direction and hurriedly said to the crowd.

The crowd continued to walk forward, yun chujiu lowered her voice and said, “Uncles, although the fan family is a super aristocratic family, I heard that there is more than one super aristocratic family. Moreover, the relationship between them is not compatible with each other, especially the Cao family. They have always been arch-enemies with the fan family. “If we can escape, we will just go to the Cao family.”

One of them shook his head and said, “Little girl, you are really naive. We are at most the lowest level of guards. Will the Cao family fall out with the fan family for us?”

“If we just go, the Cao family will naturally not protect us.” “But what if we bring a large amount of spirit stones?”? Because we have nowhere else to go but the Cao family. There is no doubt about our loyalty. The Cao family has both earned money and expanded their own power. Why Not?

Yun Chujiu’s face was smiling, but in her heart, she was ruthless. That Bastard Fan Mingchuan wanted her life? HMPH, I’ll let you taste the taste of losing both people and Money!

The few people in the canteen did not speak for a while. They were considering the feasibility of what Yun Chujiu said.
