

The Yun Family's Ninth Child is an Imp! Chapter 2385

Under the envious gazes of the old man and the burly man, Yun Chujiu casually put the jade box into her storage ring.

This guy rolled his eyes and put the stone tablet that was about to break into his storage ring so that no one would discover it. Then, he summoned a large ship and called everyone onto it.

After getting on the ship, Jin Zhi asked Yun Chujiu in a low voice, "Why did you destroy that Stone Tablet?"

"The name of Chenlan River is not good. I got angry just by looking at it, so I kicked it away!" Yun Chujiu said indifferently.

Jin Zhi reacted for a long time before she understood the reason why Yun Chujiu did not like Chenlan River. The corner of her mouth could not help but twitch. Chenlan River had existed for hundreds of thousands of years. How Old Was Ye Lan? This guy was simply venting his anger!

Xue Wuji and the Big Man took turns to operate the spiritual boat in the cockpit. The old man then asked Yun chujiu, "Little girl, can you answer my question now?"

"Although it's not safe yet, I see that you're quite anxious. Then you ask, and I'll try my best to answer you," Yun Chujiu said with a smile.

Although the old man had always been calm and composed, it seemed that after meeting this little girl, he could not remain calm. Every word this guy said made him so angry that he stared at her.

The old man calmed his mind and then asked, "Little girl, how did you find out that I'm a Spirit Master Yan? Have you met someone who looks like me before?"

"The first question is meaningless. I will directly answer your second question. I once saved a young man. He should be 16 or 17 this year! His appearance is 70% similar to yours. He is a spirit Master Yan."

Although the old man had already guessed a little, he was still trembling with excitement. "Then, then where is he? Is he okay?"

"He shouldn't be a big problem at the moment, but you also know that you spirit masters Yan have seen through the heavenly secrets and will naturally be punished. His spiritual sense is unstable. Although I gave him some pills to temporarily control it, I'm afraid that he won't be able to live for long."

"Where is he? I have a way to save him. I'll go and save him."The old man said anxiously.

"Who are you to him? He is my man. I have to be responsible for him!"Yun chujiu looked at the old man vigilantly.

The old man was stunned at first, then he looked at Yun chujiu suspiciously. He gritted his teeth and said, "Are you two engaged or married? Granddaughter-in-law, I am your grandfather!"

Jin Zhi almost burst out laughing at the side!

Yun Chujiu's face stiffened. "What granddaughter-in-law? He is just my subordinate! You are his grandfather? Make a poison oath first and say that you will never harm me or your grandson. Only then will I tell you where he is."

The old man rubbed his hands awkwardly and then made a poison vow. He could not wait to continue asking, "Little girl, I've already made a poison vow. Quickly tell me where he is!"

"His name is Zi Heng and he's currently in the Temple of Immortals on the Tian Yuan continent. His and his mother's lives were saved by me. Don't you want to express your gratitude?" Yun chujiu looked at the old man with a smile.

The old man really wanted to roar at her. You have already emptied half of the fan clan's spirit stone mine, what more do you want to express? You are so greedy, be careful of being struck by lightning!

Just as the old man was about to give Yun chujiu some benefits, he heard Yun chujiu say with a smile, "Old man, I am joking with you! When you go to look for Zi Heng in the future, you can also help me to tell him that I am safe."

The old man nodded, thinking that it was not so easy to go to the Tian Yuan continent. He had to plan carefully.

At this moment, the strong man in the cockpit ran up, "Benefactor! Not Good! It seems that a high-level aquatic demon beast is coming from afar."
