

## The Yun Family's Ninth Child is an Imp! Chapter 2390

Yun chujiu smiled at the big man. The Big Man's heart trembled for some reason, and an ominous premonition rose in his heart.

"This uncle is too recognizable, so he needs to change his appearance. I suggest that you shave your beard. This is more effective than taking any disguise pill.

Old Man, your hair and beard are all white. You dyed your hair and beard black. Moreover, from now on, in front of outsiders, this uncle will be the master and you will be his butler.

This way, your relationship will be misplaced with the fan family, and they will no longer doubt your identity. Although this might be a little unfair to old man, but it's better to be careful. Your grandson is still waiting for you to save him!" Yun Chujiu said slyly.

The Big Man shook his head repeatedly. "This, how can this be? ! How can my benefactor pretend to be my servant? !"

However, the old man waved his hand. "What the little girl said makes sense. The fan family's strength is not to be underestimated. It's better to be careful. Let's do as she says!"

The old man said to Yun chujiu again, "Little Girl, you saved my grandson. I can't thank you enough. When I find my grandson, I will definitely repay you heavily in the future!"

“Old Man, you are too polite!”! “Helping the strong and supporting the weak. When you see injustice on the road, you will roar and help others. This is what a kind person like me should do!”! “When you see the wife of the Temple Master of the Temple of Immortals, just help me to tell her that I am safe.” Yun Chujiu said as she handed a storage ring to the old man.

The corner of the old man’s mouth twitched. After interacting with her for the past few days, he also knew that Yun Chujiu was a temperamental person. He could only say, “Don’t worry, I will definitely pass on the message.”

The crowd chatted for a while more before Yun Chujiu sent the old man and the big man to the shore, while the big ship continued to sail forward.

Yun chujiu was a shrewd person. She wasn’t afraid of anything, but just in case. It was better to sail forward for another day and a half, and then take the Flying Spirit Tool.

In this way, even if something happened to the old man, he wouldn’t be able to trace it back to her. This was also the reason why she didn’t ask the old man to bring gifts for the Palace Master’s wife and the others.

After another half a day, Yun Chujiu finally let the big boat dock.

“Little loach, our temporary contract has been canceled. This is a pill for you. See You Later! Oh right, this white cloth strip is also for you. Go home and be a wife!”

Then, there was no “Then” because the bloodthirsty electric eel was once again angered to the point of turning white!

“I guess it is too happy. Let’s Go!” Yun chujiu said to Xue Wuji and Jin Zhi.

Jin Zhi turned her head and looked at the bloodthirsty electric eel with sympathy. This poor thing had been angered dozens of times along the way. It could only blame itself for not having eyes. The bloodthirsty finless porpoise from before was smarter.

Although Yun Chujiu and the other two had recovered their original looks, Yun chujiu still dressed them up just in case.

After dressing up, even the people from the mine wouldn’t be able to recognize them. Even the people from the Heaven Punisher Academy wouldn’t be able to recognize them if they didn’t look carefully.

Two days later, they were only two thousand miles away from the Heaven Punisher Academy.

“Little Jiu, how are we going to explain this matter after we return to the Heaven Punisher Academy?” Jin Zhi asked. They were originally trapped in the Divine Axe Heavenly Pit, but now that they suddenly appeared, they naturally had to give an explanation.

“That’s easy to do. Just push the pot onto the teleportation jade token. In any case, this was an accident, so they won’t be able to find anything. However, we have to find a suitable place to appear.” Yun chujju rolled her eyes and said.
