

The Yun Family's Ninth Child is an Imp! Chapter 2392

Xue Wuji and Jin Zhi nodded their heads in agreement, but they were cursing in their hearts. Little Jiu had already bravely advanced on the path of fraud and would never return!

As expected, when everyone heard Yun Chujiu's words, they began to discuss animatedly.

"I heard that when Yun chujiu came back from the coffin, everyone heard an old man say, 'idiot, why aren't you waking up? !'this time, it was probably Tian Dao who saved them."

"What you said makes sense. Without the teleportation formation, the godly axe and Tian Keng wouldn't have been able to come out. Other than Tian Dao's help, they wouldn't have been able to come out."

"In that case, this Yun Chujiu is really Tian Dao's favorite."

..

A certain Jiu didn't show it on the surface, but he was very pleased in his heart. Tsk Tsk, the Tian Keng incident this time was really a blessing in disguise. Not only did he make a huge fortune, but he also strengthened the title of Tian Dao's favorite. It was really killing two birds with one stone!

Dean Gongsun asked for more details. A certain Jiu, who was the best at making up lies, naturally replied fluently. From time to time, she would describe the miserable situation of the three of them, such as disappointment, fear, worry, and so on.

After asking these questions, Dean Gongsun felt very guilty. If it weren't for the Academy's inadequate security work, these three students wouldn't have suffered such a hardship.

"Alright, you should go back to the dormitory and rest first. We will officially start tomorrow," Dean Gongsun said to the three of them.

The three of them nodded. After bowing, they left the Heavenly Dao Cliff.

Along the way, they met some first-year students who came over to ask about their well-being. Some of them even cried in excitement. Yun chujiu acted pretentiously and comforted the three of them. It wasn't easy for the three of them to return to the dormitory.

It was only at this moment that the three of them finally felt relieved. After today's incident, even if the fan family had obtained some clues, they would not think of the three of them. It was perfect!

Yun chujiu was initially worried that Tian Dao would find trouble with Tian Dao Cliff. However, there was nothing unusual, so she put this matter aside.

The next day, Yun Chujiu and the other two left the dormitory and walked towards the classroom.

They thought that they would continue with yesterday's popularity and that there would be many people paying attention to them. However, they did not expect that their gossipy hearts would be occupied by another matter.

"Have you heard? I heard from my uncle's sister-in-law's eldest cousin's nephew that the fan family, which is also the super aristocratic family, the fan family, and the other super aristocratic family, the Cao family, are fighting!"

"Really? What's the reason? Although I heard that the Cao family and the fan family are sworn enemies, they have been peaceful for so many years. Why would they suddenly fight?"

"I heard that the Cao family not only turned the fan family's miners, but also stole half of the fan family's spirit stone mine. Of course, the fan family can't take this lying down."

"Oh my God! Half of the Spirit Stone Mine? How many Spirit Stones did they get? ! The Cao family is really powerful. How did they do it?"

"I don't know. The Cao family refused to admit that they took the fan family's spiritual stone mine."

“Of course. If I were the Cao family, I wouldn’t admit it either. Isn’t that an excuse for the fan family to attack them?”

..

While Yun Chujiu was listening with great interest, Li Huan came over and said, “Miss Yun, you might not know about this since you just came back. I know the details. Let me tell you in detail.”

“Okay, tell me about it! I want to broaden my horizons too!”Yun Chujiu said with a curious look.

Li Huan did not know that the person in front of him was the thief who stole the spiritual stone mine. He told Yun chujiu the rumors vividly.

Yun chujiu asked a few questions from time to time, and occasionally she would make a surprised sound. Xue Wuji and Jin Zhi looked at each other. They were so shameless that they only had one word — respect!
