

The Yun Family's Ninth Child is an Imp! Chapter 2393

Li Huan saw that Yun Chujiu was listening with great interest, the story was even more exaggerated. "Miss Yun, I also heard that the Cao family used high-grade talismans to blow up a spirit stone mine. My goodness, I reckon that only a level 12 hurricane explosive talisman would have such an effect. Instead, it would require at least a hundred of them.

"Therefore, this matter was definitely done by the Cao family. How could other small families have so many hurricane explosive talismans? ! In my opinion, this fan family and the Cao family have become sworn enemies! Of course, the two families also had their own conflicts, but now it has only intensified."

Yun chujiu echoed a few words from the side, thinking, nonsense! I clearly don't have a level 12 hurricane burst talisman, but I still did it! Because I used thousands of superior-grade burst talismans, do you have any objections? Bite Me!

This guy was high in his heart for a while, then he pretended to say, "According to what you said, the Cao family did it. TSK TSK, let's just watch the super-family's business. It has nothing to do with US anyway."

Jin Zhi and Xue Wuji nodded at the side. Well, it has nothing to do with you, because you can't wait for them to fight.

Li Huan didn't know that there were some twists and turns. He nodded and bowed in agreement. With Zhu Jingtie's death, he had no backer. After thinking about it, he felt that this yun chujiu was more reliable.

Although her spiritual power was low, she was the daughter of the Ye family! Although she was not in tune, she was the favorite of Tian Dao!

Therefore, he decided to cling onto Yun Chujiu's thigh and not let go.

They chatted and laughed along the way and soon arrived at the Star class classroom.

Yun chujiu scanned the classroom and realized that there were dozens of people missing.

Li Huan quickly said, "Miss Yun, you might not know this, but after they came out from the heavenly pit of the divine axe, that Zhai Shanshan, Xi Luoxia, and the others twisted the truth. After the Academy found out the truth, they were directly expelled."

Yun chujiu nodded. She was not surprised. The reason why Dean Gongsun did this was firstly to enforce the school rules, and secondly, it was probably to give the Ye family an explanation.

When Mo Fangbing saw Yun Chujiu, her heart was very complicated. On one hand, Yun chujiu saved her in the heavenly pit, so she was naturally happy to see Yun Chujiu come back alive. On the other hand, if the great elder found out that Yun Chujiu was still alive, he would definitely scold her. Therefore, she was somewhat unhappy about Yun Chujiu's return.

Yun chujiu couldn't be bothered with her little thoughts. She sat lazily in her seat and waited for teacher Dong to arrive.

Not long after, teacher Dong walked in from outside the door.

Teacher Dong Glanced at the crowd, then his gaze swept past Yun Chujiu and the other two and began to lecture.

At the end of the lecture, teacher Dong coughed a little, then he said, "Although some students have low spiritual power, they are still worthy of praise for being able to save their classmates at a critical moment. I hope that some students still need to raise their spiritual power as soon as possible. After all, the strong are the most respected in the immortal Yuan continent."

After teacher Dong finished speaking, he left in a hurry. When he left the podium, he almost tripped over himself and looked like he was about to run away.

Yun chujiu could not help but laugh. Teacher Dong's words were naturally directed at the three of them. She had to admit that this teacher Dong was a little awkward. Yes, he was cute.

Teacher Dong's words reminded Yun chujie that since she planned to go to the primordial chaos sect to participate in the entrance test in a year's time, her current spiritual power was definitely not enough. It seemed that she needed to formulate a detailed learning plan.
