

The Yun Family's Ninth Child is an Imp! Chapter 2396

Yun chujiu was so angry that she was about to faint!

F * ck, could it be that there was a ghost? ! Why did the fragment suddenly disappear?

Could it be that after Xue Mo hid, the fragment had changed? It had already turned into powder?

Teacher Pang smiled, he did not taunt Yun Chujiu. "Yun Chujiu, it seems that you can only get the luminous pearl if you get first place in the next test. "However, don't worry. Although you didn't get the fragment, you saved the first-year students this time. You Won't be expelled."

One could imagine the grievance in Yun Chujiu's heart. Originally, she was in the top three, but now, she was in the bottom three. Moreover, they had to be punished by the law to be able to stay in Xingtian Academy.

Yun Chujiu came with her head held high, but when she left, she became listless.

No one knew the inside story, so they thought that Yun chujiu had done something wrong again and was dealt with by the law enforcement department. As for why it was "Again", cough, cough, it was because a certain Jiu had too many priors.

“How did it disappear? What the hell!” Yun chujiu mumbled as she walked.

Xue Wuji and Jin Zhi were also puzzled. That’s right, why did the fragment suddenly disappear?

Just as the three of them were walking towards the dormitory, they suddenly realized that the sky had turned dark.

It was noon, so there was no reason for the sky to be so dark. Yun chujiu raised her head and saw a large patch of dark clouds floating towards the Xingtian Academy. Wu Yun and Jin Zhi were stunned.

Yun Chujiu’s heart skipped a beat. Could it be that they were going to split the Heavenly Dao Cliff? Logically speaking, Wu Yun should have come yesterday. Why did he only come today? Could it be that there was a traffic jam in the sky as well? Or could it be that there was also something like the double eleven in the sky, and the express delivery had exploded?

This fellow’s imagination was running wild. However, he was running towards the Heavenly Dao Cliff. As he ran, he turned his head and said to Xue Wuji and Jin Zhi, “You guys go back to the dormitory first. I’ll go to the Heavenly Dao cliff to take a look.”

Xue Wuji and Jin Zhi knew that they could not help in this situation. If they went, they would be a burden to Yun chujiu, so they could only instruct yun chujiu to be careful.

Yun Chujiu ran all the way and soon arrived at the Heavenly Dao Cliff.

When the Heavenly Dao cliff saw Yun chujiu coming, he said snappily, "At least you have a conscience. This Wu Yun is definitely here to strike me. Blocking this heavenly lightning will waste a lot of my golden light."

"Little Tian Tian, don't worry. When the Wu Yun arrives, just let it strike me! When I can't take it anymore, you can attack it again. When that time comes, Wu Yun will already be at the end of its tether. You can torture it to death."

When the Heavenly Dao Cliff Heard Yun Chujiu's words, he recalled the incident from the last time. That piece of Wu Yun was indeed extremely angered by it, and his mood could not help but feel much better.

As the man and the cliff were talking, the sky turned even darker. The thick layer of clouds released a tremendous pressure, and the students quickly found a place to hide. Otherwise, it would be difficult for them to even breathe.

Dean Gongsun and the others gathered together and raised their heads to look at the sky. They were all puzzled. Wu Yun was clearly heading toward the cliff of Heaven Dao. Why had the Tian Dao been struck by lightning recently?

Yun chujiu looked up and saw that the Wu Yun this time was not the same Wu Yun from last time. Could it be that Wu Yun from last time had been angered to death?

However, the newcomer was easier to fool. She could just use this opportunity to break through. Who knows, she might be able to break through to Lingxu in one go!

The More Yun Chujiu thought about it, the happier she became. She said to the Heavenly Dao cliff with curved brows, "Hurry up and bring me to the bottom of the valley. Otherwise, I will be easily discovered by others."

After Tiandao Cliff Got Yun Chujiu to the bottom of the valley, Yun Chujiu got Xiao Heiniaoyao and Xiao Mogu out as usual. The three perverts sat in a row, waiting to be struck by lightning!
