

The Yun Family's Ninth Child is an Imp! Chapter 2398

Everyone was surprised to find that white mist was rising from the top of Wu Yun. It really seemed to be smoking.

“Forget it! How Can Wu Yun be smoking? I think it’s going to rain!”

“Shouldn’t the rain be falling? How can it be rising? It’s clearly smoking!”

“Could it be that Wu Yun is not familiar with the business and it should be falling but it’s going up?”

..

Wu Yun, who was already fuming with anger, heard everyone’s discussion and was even angrier to the point of wanting to commit suicide. You F * cking aren’t familiar with the business, and your entire family isn’t familiar with it. You’re really infuriating!

Wu Yun couldn’t do anything to the little girl at the bottom of the valley. He immediately vented his anger on the people who were speaking. He floated over and struck them until they cried for their parents. Only then did he regain some of his confidence.

It seemed that it wasn't a scumbag. It was just that the little girl with the Heavenly Thunder Spirit Root was too perverted!

Another two hours passed. Yun Chujiu couldn't take it anymore and sneaked into the cave.

Wu Yun couldn't hit Yun Chujiu, so he vented his anger on the Heavenly Dao Cliff.

F * ck!

If he hadn't come to split the Heavenly Dao Cliff, he wouldn't have met that little pervert. He wouldn't have been struck so hard that he had nothing left to live for. He wouldn't have hacked the Heavenly Dao Cliff to death!

Wu Yun's thoughts were pretty good, but the Heavenly Dao cliff heavily added salt to his wound..

The heavenly lightning struck by Wu Yun was blocked by the Golden Light of the Heavenly Dao Cliff. Furthermore, the Heavenly Dao cliff began to chatter incessantly and Mock Wu Yun.

“TSK! You Little Scum, you still want to split me? I’m not moving here, you try splitting me!”The Heavenly Dao Cliff had been eager to try for a long time. So what if I’m floating in the Sky? ! I’ll still infuriate you to death!

Wu Yun felt that he might have forgotten to look at the almanac when he went out today. Otherwise, why would he encounter two, No, three perverts?

boxn ov el. c o m

He suddenly remembered something. Originally, he was not the one who came for this mission. Instead, number six, Wu Yun, had something urgent to attend to, so he had asked him to come.

Could it be that that damned thing number six knew that there were perverts here, so he deliberately let it come looking for torture?

The More Wu Yun thought about it, the more she felt that the possibility was very high, and she became even more furious!

After Wu Yun figured out the twists and turns inside, she was no longer in the mood to continue splitting the Heavenly Dao Cliff. She floated away while emitting white smoke.

When the Heavenly Dao cliff saw that Wu Yun had drifted away, this fellow was still shouting, “Hey! Don’t be in a hurry to leave? I haven’t had enough fun yet!”

Wu Yun really couldn't take it anymore. It started to rain with a crashing sound. Wu Wu, when it came to it, it was all tears!

Wu Yun was heartbroken, but a certain Jiu was elated. TSK TSK, even though she had only leveled up two levels, she was already at the first level of the spiritual void tier. Anyway, she was satisfied with the Thunder she got.

This guy was even thinking in his heart. Otherwise, when he wanted to level up in the future, he would deliberately let the Heavenly Dao Cliff do something wrong?

Although it was still raining outside, Yun Chujiu was afraid that someone would find out, so she asked the Heavenly Dao cliff to get her on top. Then, she sneaked back to the dormitory.

After returning to the dormitory, she sent a message to Jin Zhi and Xue Wuji, then happily took a bath. Lying on the bed, she began to plan the next learning arrangements.

The most important thing now was to learn the spirit power phantom technique.

As for alchemy, Talismans, and beast taming, she could only learn some basic knowledge first. After all, she didn't know those instructors very well, so she didn't dare to reveal too many trump cards.

After Yun Chujiu made the plan, she sat cross-legged and began to meditate to consolidate her realm.

The next day happened to be Xun Xiu's Day. Yun Chujiu felt that she should go to the ye family to brush her face, and at the same time, look for Old Master Ye and ye Bingyu to ask for a sound transmission talisman.
