

The Yun Family's Ninth Child is an Imp! Chapter 2399

After greeting Xue Wuji and Jin Zhi, Yun Chujiu went to the wa stone academy to look for Ye Bingyu.

Most of the students of the WA stone academy had only heard of Yun Chujiu, but they had never seen her in person. Therefore, when Yun chujiu arrived at the entrance of the WA Stone Academy and reported her name to the guards of the academy.., the eyes of the crowd immediately lit up with the light of gossip.

Someone in the crowd said sourly, "You probably don't know, right? She is the new successor of the Ye family, Yun Chujiu. Her mother used to be the daughter of the Ye family's concubine, but now she has become the daughter of the Ye family's first wife. She really got lucky!"

Yun chujiu turned her head and saw that the person who spoke was the Liu Jinluan she had met in the psychedelic forest.

Yun chujiu could not help but frown. According to common sense, Liu Jinluan and ye Bingyu were good friends, so they should not mock her like this. Could it be that she had taken the wrong medicine?

Liu Jinluan saw that Yun chujiu did not say anything, so she thought that Yun chujiu did not dare to argue with her, she said even more harshly, "TSK tsk, I also heard that this Yun chujiu is some favored child of the Tian Dao. Bah! She really flattered herself. Shameless!"

Yun Chujiu's expression was indifferent, but she still did not say anything.

Liu Jinluan thought that Yun chujiu was a soft persimmon, so she curled her lips and said, "What kind of mother has what kind of daughter. I heard that Ye Lan was expelled from the Ye family! Mother's useless daughter is even more useless!"

Before Liu Jinluan's voice faded, Yun Chujiu jumped in front of her, stared at her coldly and said, "Apologize immediately, or I'll make you kneel down and apologize."

Liu Jinluan sneered. "Are you crazy? I'll apologize to you? Even if you fly to the top, you're still a sparrow that can't be put on the stage! Do you really think the ye family will stand up for you and cause trouble for our Liu Family?"

Hearing Liu Jinluan's words, Yun Chujiu's heart moved. No wonder Liu Jinluan was so against her. Her aunt, Liu Shi, was a member of the Liu family. She should be Liu Jinluan's aunt.

Yun Chujiu's sudden attack was as fast as lightning. Liu Jinluan's spiritual power was lower than Yun Chujiu's, and she was unprepared. Yun Chujiu grabbed her throat.

Yun chujiu turned behind Liu Jinluan, took out a big kitchen knife that was necessary for scamming people, and forced Liu Jinluan's neck. Then, she kicked Liu Jinluan's leg, and Liu Jinluan knelt on the ground.

“Liu Jinluan, you can apologize now!”

Liu Jinluan’s mind was blank. She didn’t know what happened. In a flash, she was made to kneel on the ground by Yun Chujiu. “You, let go of me! Otherwise, I won’t forgive you!”

“Won’t forgive me? You publicly insulted my mother and me. Even if I kill you, Your Liu family won’t have the face to ask for an explanation from our ye family. Because, your Liu family’s daughter doesn’t have any upbringing!”!

“Liu Jinluan, if you don’t want to be killed by me, then obediently apologize to me.”Yun Chujiu said with a sneer.

“Don’t even think about it! If you kill me, you won’t live either! You’re just a little bastard who inherited the ye family. Do you really think that the Ye family takes you seriously?”Liu Jinluan said fearlessly.

“Is that so? Then I’ll kill you today to have some fun!”

As Yun Chujiu said that, she exerted more force, and a wound appeared on Liu Jinluan’s Fair Neck, and fresh blood flowed down.

Liu Jinluan immediately panicked and said in a panic, "Yun Chujiu, the students of Xingtian Academy and Huoshi Academy are forbidden to fight. If you really kill me, you'll be punished by the city rules."

Yun chujiu curled the corners of her mouth. "It was you who provoked me first. If you want to be punished, we'll suffer together. I don't care. Anyway, I'll kill you first."
