

The Yun Family's Ninth Child is an Imp! Chapter 2400

Liu Pinyan received the news and rushed over. When he saw that Liu Jinluan was controlled by Yun Chujiu and there was blood on her neck., immediately, he became angry from embarrassment. "Yun Chujiu, quickly release Jinluan. Otherwise, I won't be polite!"

"If she apologizes, I'll release her. Otherwise, even if the heavenly king comes, it's useless!" Yun Chujiu said coldly and arrogantly. It was fine to scold her, but she actually dared to scold ye Lan. She was simply courting death.

Liu Pinyan was afraid of the consequences. He was so angry that his face turned ashen. He took out his identity jade token and sent a message to Ye Bingyu.

Not long after, Ye Bingyu walked out of the WA Stone Academy.

Liu pinyan hurriedly said, "Bingyu, quickly tell Yun Chujiu to let go of Jin Luan."

Ye Bingyu ignored Liu Pinyan. Instead, she ran to Yun Chujiu's side enthusiastically and said excitedly, "I knew you, this evildoer, wouldn't die! This is great. Let's go back to the Ye family together later."

"Of course! A scourge lives for ten thousand years! Give me a voice transmission talisman later, in case I can't find you and have to come over to find you."

“Okay! I wanted to give it to you last time, but I forgot.”

..

Liu Shi and his sister were so angry that they wanted to vomit blood. Could you let her go first before chatting? Don't you think it's inappropriate to chat like this?

Liu Jinluan was so angry that she gritted her teeth. No wonder ye Bingyu had been treating her coldly during this period of time. She originally thought that she was arrogant, but she didn't expect that she would be so good friends with Yun Chujiu. It was really detestable!

Although Liu Jinluan's heart was filled with hatred, she still pleaded, “Bingyu, quickly let Yun Chujiu let me go.”

Ye Bingyu seemed to have just seen Liu Jinluan. She said in surprise, “Little Jiu, are you sparring with Liu Jinluan?”

At this moment, Yun Chujiu finally confirmed that Ye Bingyu and her had the blood of the Ye family. It turned out that this guy also had the potential to be a black lotus!

Liu Jinluan was so angry that she almost passed out. She gritted her teeth and said, "What Sparring? Yun Chujiu wants to kill me!"

"OH."

The Liu siblings waited for a long time, but ye Bingyu didn't say anything else.

Liu Pinyan could no longer maintain his usual elegance and said sinisterly, "Yun Chujiu, quickly release Jinluan, or I will report to the city lord of Tianluo City."

Yun chujiu shrugged her shoulders. "As you wish! Anyway, Liu Jinluan's head will fall to the ground before the city Lord sends his men."

"What do you want?" Liu Pinyan clenched his fists. He didn't dare to gamble. He was afraid that Yun Chujiu would really kill Liu Jinluan.

"Apologize! Apologize to my mother and me. Just say that her mouth is like a dog that can't spit out ivory. She is jealous of my mother and my peerless magnificence. She is jealous of our amazing talent, so she slandered us. She is a shameless flirtatious slut." Yun Chujiu said slowly.

“You! Don’t go too far!” Liu Jinluan’s eyes were red. If she really said these words, she wouldn’t have the face to face others in the future.

Liu Pinyan tried his best to suppress the killing intent in his heart. “The first words are fine, but can you not say the last sentence?”

“TSK TSK, the most outstanding thing is the last sentence!” The coquettish slut was simply tailor-made for a little B * Tch like Liu Jinluan. “However, a dog can bite a human, but a human can not bite a dog. How about this? One million high-grade spirit stones per word. If you agree, you pay. If you don’t agree, TSK tsk, then tell me word by word.”

One million high-grade spirit stones per word?

Heavens, this Yun chujiu was too evil!

Some students began counting with their fingers. “She’s just a shameless flirtatious B * TCH.” Damn, there were twelve words in total. This was twelve million high-grade spirit stones, how could Liu Pinyan Bear to do so?
