

## The Yun Family's Ninth Child is an Imp! Chapter 2401

Liu Pinyan was silent for a moment, then he gritted his teeth and said, "Okay, I agree."

He knew that if Liu Jinluan said that, then Liu Jinluan would never be able to raise her head in this lifetime. Whether it was from the family or from the face of the Liu family, this sentence must not be said.

After Yun Chujiu received the spirit stones, she said indifferently, "You can skip that sentence. Just say the rest of the sentence, not a single word less!"

Liu Jinluan bit her lips until they were bleeding. She wished she could find a hole and hide in it. She clenched her teeth and told Yun chujiu what she had said.

Yun chujiu curled the corners of her lips and released Liu Jinluan. Then, she said coldly, "If I hear anyone say bad things about my mother again, Liu Jinluan will be a good example."

Everyone looked at each other. Yun Chujiu had left a shadow in the hearts of the students of the WA Stone Academy. This guy was not only cruel and merciless, but also greedy. It was better to not provoke her.

Of course, there were also some people who did not think much of it. They felt that Liu Jinluan was just careless.

Liu Jinluan looked at Yun chujiu with her red eyes and said viciously, "Yun Chujiu, I, Liu Jinluan, will fight to the death with you! Just you wait!"

Yun chujiu shrugged her shoulders indifferently. "There are many people who will fight to the death with me. Who Do you think you are? Go queue up at the back!"

Everyone..

This fellow was too arrogant! Although she was the first daughter of the Ye family, what right did she have to be so arrogant? Could it be that she was the favored child of Tian Dao?

Liu Jinluan wanted to say more, but Liu Pinyan gave her a signal with his eyes. The two of them turned around and entered the WA Stone Academy.

Yun chujiu didn't even look at them. She said to ye bingyu, "Sister Bingyu, I have something that I need your help with."

Ye Bingyu was stunned for a moment before she understood. Little Jiu was probably afraid that the Liu family would take revenge and wanted her to help explain things to her great-grandfather.

Then, she heard Yun Chujiu say with a smile, "I heard that the food in the dining hall of the wa-rock academy is pretty good. Can you go in and buy some for me?"

Ye Bingyu..

Could she distance herself from this glutton right now?

Could she say that she didn't know this good-for-nothing?

The students of the wa-shi Academy were also confused. Wasn't this scene changing too quickly? Just a moment ago, she was still a vicious and merciless female devil. How did she become a glutton in such a short time?

Ye Bingyu said with disappointment, "Let's go back to the Ye family first. When we come back, I'll buy it for you."

"By the way, where's brother Wenhong? Isn't he going back with us?" Yun chujiu asked.

“Brother Wenhong said that he’s going to make a breakthrough soon, so he has to hurry up and cultivate,”ye Bingyu explained.

Yun Chujiu raised her eyebrows. Cultivation was probably secondary. The main reason was that he didn’t want to face the Ge Shi and Liu Shi. It was indeed a terrible thing to face his mother and grandmother who didn’t have a good outlook on life.

Just as Yun Chujiu and ye Bingyu were about to leave the city and return to the Ye family, a team of guards walked over. “Miss Yun, the city Lord has invited you.”

Ye Bingyu was suddenly shocked. She asked in surprise, “Although there was an argument just now, both parties did not make any requests. Why did the city Lord Summon Little Jiu?”

The ten guards of the Ye family that Yun Chujiu had previously recruited squeezed out from the crowd and blocked in front of Yun Chujiu and Ye Bingyu, acting as if they were protecting their master.

The reason why they didn’t make a move just now was because Yun Chujiu had the upper hand. Now that they saw that the city Lord’s mansion wanted to arrest someone, they naturally wouldn’t sit idly by.

A guard from the city Lord’s mansion smiled and said, “The two young ladies might have misunderstood. My City Lord didn’t do it because of the dispute just now. He just wanted to invite Miss Yun to have a cup of tea.”
