

The Yun Family's Ninth Child is an Imp! Chapter 2418

The cries of the six servants naturally attracted the attention of many people. However, because their rashes were contagious, many people only watched from afar and did not dare to approach Shaohua Garden.

In fact, yesterday, when Min Shi and Ye Bingyu wanted to visit Yun Chujiu, she was rejected by Yun Chujiu. She sent a voice transmission talisman to Ye Bingyu. It only had two words: "Don't read it."

Ye Bingyu couldn't make heads or tails of it, so she looked for Min Shi to discuss it.

Min Shi smiled and said, "Looks like little jiu is up to something again. She has a lot of ideas. Let's listen to her and not cause trouble for her."

Ye Bingyu thought of Yun Chujiu's perversion and felt that her mother's words made sense. How could a person who could even handle the city lord of Tianluo City not be able to handle a small rash? !

Liu Shi had already sent people to keep an eye on Shaohua Garden. As soon as she heard the wailing inside, she immediately reported it to Liu Shi.

Liu Shi's heart was filled with joy. She went to the guest house and told Ye Xinwan and her daughter about the matter.

Ye Xinwan said proudly, "It seems that the people inside have already been disfigured. Let's see how that Little B * Tch will show off in the future!"

Liu Shi echoed, "That's right. Her appearance has been disfigured. Even the old master won't value her anymore. Let's Find a chance to kill her in the future."

"However, I still have to put on an act now. I'll go over and ask, and then ask doctor Deng to treat them.". "Xinwan, he won't find anything out, right?"

"Don't worry. It wasn't easy for me to get that medicinal powder. He's just a chief physician, so he won't be able to find anything out. He'll only say that they were caused by touching other poisonous herbs,"ye Xinwan said with some confidence, she had used this poisonous powder many times in the fan family, and no one had ever found out about it.

Hearing ye Xinwan's words, Liu Shi nodded and left the guest house to the outside of Shaohua Garden.

"Little Jiu, what happened?"Liu Shi was afraid of being infected, so she stood at the gate of the courtyard and shouted.

"Wu Wu, aunt, our faces are all festered. Wu Wu, we're all disfigured! I Don't want to live anymore! Please come in and see me!"Yun Chujiu's crying came from the courtyard.

The six servants in Shaohua Garden looked at certain Jiu with a confused expression. A certain Jiu was the one who was talking about this little ancestor, right? !

“Little Jiu, don’t get carried away. I’ll send someone to get doctor Deng right away. Something must have gone wrong. “Besides, if you’re disfigured, you’ll be able to recover with the flawless muscle regeneration pill. Don’t be too sad.”Liu Shi wasn’t willing to go in and check, it would be terrible if she was infected!

“Wu Wu, aunt, I’m so scared! Please come in and see me! I really want to throw myself into your arms and cry. Otherwise, I’ll go out!”

Liu Shi was so scared that her face turned white. She shouted while running, “I’ll go and find the Doctor for you now. Don’t come out, please don’t come out!”

“Aunt, don’t go! Come and Hug Me! Aunt!”Yun chujiu stood at the entrance of Shaohua Garden and whined.

Liu Shi didn’t even dare to turn her head back. That Little B * Stard might not have any good intentions at all. It would be terrible if her face was disfigured by her infection.

Yun chujiu sighed, she said to the servants who were watching the scene from afar, "Sigh! Why Don't you guys come over and talk to us! Although we are disfigured, aren't we all wearing veils on our faces? "You won't be scared! "Come here quickly!"

The servants ran away one by one. Even the spies of Liu Shi ran away, afraid that if they were one step slower, they would be caught by Yun Chujiu and thrown into Shaohua Garden.

Yun chujiu curled the corners of her lips and returned to the courtyard. She said to the six servants, "See? Tell me, who else would suspect that we are not disfigured?"
