

## The Yun Family's Ninth Child is an Imp! Chapter 242

The dark clouds struck Yun Chujiu's house, and then floated away while trembling! Why was it trembling? It was angry!

'Yun Chujiu and that ugly bird, just you wait! Next time, I'll definitely hack you to death!'

Yun Chujiu saw Di Beiming's miserable appearance and laughed in her heart, but she did not dare to show it. She asked weakly, "Prince Charming, this house is no longer livable. I'm going to go to my fifth sister's place. What about you?"

Di Beiming waved his sleeves, and his body immediately returned to normal—even his hair became as dry as usual. Yun Chujiu was so jealous that she gritted her teeth. There really was no justice in the world. It was one thing for him to be good-looking, but he was also a nouveau riche. On top of that, his spiritual power was so high. It really made people envious and jealous!

"The commotion here has already attracted the attention of the mighty figures of Spirit Radiance Sect. I'll be leaving now. The matter will be settled very soon. I'll come back to see you when the time comes! "Remember, if you run into that idiot in red, you must stay away from him!" Di Beiming noticed that there were people approaching from afar, so he quickly said his piece!

"Okay! Prince Charming, don't worry! I'll definitely be obedient! You should leave quickly! Don't let anyone discover you!" Yun Chujiu could not wait for Di Beiming to leave quickly!

Di Beiming still wanted to say something, but those people were getting closer and closer. He could only hug Yun Chujiu, kiss her on the forehead, and then leave quickly!

Yun Chujiu did not expect Di Beiming to flirt with her so suddenly. She was instantly petrified!

'F\*ck, aren't you ashamed?!

'Gigolo, get back here!

'Did I agree to you kissing me?

'You big-tailed wolf. You actually took advantage of me!

'By the way, why is my heart beating so fast? Calm down! You have to be calm! Isn't it just a kiss on the forehead? What's the big deal! It wasn't a kiss on the mouth!

When Master Xuanyuan and the others arrived at Yun Chujiu's courtyard, they saw that the house was in such a sorry state that it looked like a beehive with many holes on it! Yun Chujiu stood there like a fool, and she even giggled shyly from time to time!

"It's over! Yun Chujiu, this girl, has been struck dumb by lightning!" Elder Qu stretched out his hand and waved it in front of Yun Chujiu a few times. Yun Chujiu seemed as though she did not see him and was still in a daze!

"Sigh! With such a dense amount of heavenly lightning, it's already a blessing to be able to survive!" Peak Master You sighed. He did not expect that the originally lively Yun Chujiu would actually be struck by lightning to such a state. How Pitiful!

Yun Chusi and the others also ran over. When Yun Chuwu saw Yun Chujiu's stunned look, she immediately cried, "Little Jiu! Little Jiu, what happened to you? Don't scare me!"

Yun Chujiu actually knew about Master Xuanyuan and the others a long time ago. However, in order not to expose the fact that she had absorbed the power of lightning, she simply pretended to be scared!

Now that she realized that Yun Chuwu and the others were scared, she pretended to suddenly snap back to reality and then burst into tears. "Fifth sister! Sob sob, I'm scared to death! I was almost struck by lightning! I didn't do anything bad, so how could I be struck by lightning? Sob sob, I was really wronged!"

Yun Chuwu and the others quickly hugged Yun Chujiu and comforted her. Yun Chujiu sobbed and complained, "Sob sob, I was sleeping well when the roof was suddenly struck by lightning. Fortunately, I ran fast, or else I would've been turned into a roasted chicken!"

"Little girl, don't cry! You've escaped the lightning strikes over and over again, which means that you are a person with good fortune. As the saying goes, if you don't die in a great disaster, you'll definitely have good fortune in the future..." Elder Qu babbled and comforted her!

When Master Xuanyuan heard Elder Qu's words, he could not help but feel uneasy. Yun Chujiu had been struck by lightning over and over again. According to legends, besides the Five Elements Root Spirit, there was also a type of Thunder Root Spirit. Since she was so 'favored' by the heavenly lightning, could it be because of the legendary Thunder Root Spirit?
