

## The Yun Family's Ninth Child is an Imp! Chapter 2444

Yun chujiu turned around, threw herself into di Beiming's arms and said, "Prince Charming, we are a perfect match! I was showing off outside, and you were supporting me in the house. It felt so good!"

Di beiming's gloomy face softened after hearing yun chujiu's words, "If you didn't say not to touch the fan family, I would have killed those useless people just now!"

"You're not afraid of settling scores! Besides, I think that fan suxue's bones are more than half broken. I'm afraid that she won't be able to get out of bed for another half a year." Yun chujiu gloated.

Di beiming glanced at her. "Aren't you afraid that your aunt will look for you to settle scores?"

"Settle scores? They've suffered retribution. Is It My Fault?" Yun Chujiu said fearlessly. She didn't even make a move. Those people could all testify.

Besides, if it really didn't work out, she could still use the antidote of the salt-free powder to threaten them. If it weren't for the fan family behind them, she could have played them 10,000 times over.

"Do you think your aunt will send someone to settle the score with you? Shouldn't she treat her daughter first?" Di beiming asked in confusion.

“Although fan suxue looks quite miserable, it’s only superficial wounds and there’s no danger to her life. Most importantly, that aunt of mine is now blaming everything on me. I’m afraid she can’t help it.

If she doesn’t come, it’s her advantage. If she comes, I’ll let her taste the taste of retribution. Male God, with you here, my heart is much more stable. Even if the sky collapses, I’m not afraid. “Yun Chujiu said with starry eyes.

Di beiming instantly felt joy and satisfaction overflowing in his heart. He felt that nothing could make him feel so satisfied and proud like Yun Chujiu’s words.

The two of them looked at each other affectionately and could not help but kiss each other again.

After a while, a certain jiu was nestled in di Beiming’s arms. She raised her head and looked at di beiming affectionately. Di beiming’s heart was thumping violently. was little jiu going to confess to him again?

Di beiming felt a little thirsty and asked in a hoarse voice, “Little Jiu, do you have something to say to me?”

Yun chujiu nodded and said softly, “Should We Eat Breakfast? I’m Hungry!”

Di beiming..

The pink bubble in a certain someone's mind suddenly burst into bubbles and said with a stiff face, "Then let's eat breakfast."

The two of them had just eaten breakfast when the outside of the courtyard became noisy again.

Yun chujia showed a proud expression, "Prince Charming, how is it?" "I told you that my aunt would come to settle the score with me, right?" "TSK TSK, it's already good enough that I didn't disfigure her last time. This time, she actually delivered herself to my doorstep. If I don't torture her, I'll be letting down my conscience."

Di beiming raised his eyebrows indifferently. In his eyes, these scum were really too weak. If it wasn't for the fan family's Deep Foundation, it wouldn't be a big problem for him to destroy the fan family even if he wanted to.

However, when he saw how eager Yun chujia was to give it a try, he felt that it would be good to cooperate with her acting and let her show off. When he thought of the way Yun chujia blinked her starry eyes and worshipped him, he felt an itch in his heart. Hence, he lowered his head and kissed the smug a certain Jiu once again.

A certain jiu was kissed until the sky and earth turned dark again. When di beiming released her, he could hear the sounds of fighting coming from outside the courtyard. Occasionally, there were also the screams of the Ye family's guards.

A certain jiu looked at the satisfied certain lord and said faintly, "Sigh, as expected, beauty ruins things!"
