

The Yun Family's Ninth Child is an Imp! Chapter 2445

Di beiming's ears were sharp. A certain jiu glanced at him without saying a word.

Yun chujiu cursed in her heart. Bah! ! She had kissed him, touched him, and touched him. Why was she pretending to be innocent? ! If she didn't know better, she would have thought that she had forcefully kissed him!

Sigh, alright. It seemed that the word "Beautiful" should be separated. Her gigolo was beautiful, and she was perverted. Gah Gah!

Just as Yun chujiu was indulging in her wild thoughts, she heard the sounds of fighting outside become even more intense, her eyes deepened. "Prince Charming, don't make my aunt too serious later. If she is not well for a while, I'm afraid she will stay in the Ye family and won't leave."

After Yun Chujiu finished speaking, she pushed the door open and walked out.

This guy stood at the door and shouted clearly, "Stop! Let my aunt and the others come in!"

When the guards of the Ye family heard Yun Chujiu's words, they felt as if they had heard the sound of nature. They had no strength to resist for a long time.

Ye Xinwan brought the guards of the fan family into the courtyard with an imposing manner. When she saw Yun chujiu who was casually leaning against the door., the hatred in her eyes was as if it was poisoned. "Little B * Tch, did you beat Su Xue up like that? Get Over Here!"

"Aunt, you can't just say that. I didn't touch a single finger of cousin Su Xue. If you don't believe me, you can ask the Maids and guards. I didn't move a single inch from the beginning to the end,"Yun Chujiu said slowly.

"Nonsense! You Little B * Tch, don't think that you can fool me just because you know some tricks. Even if you didn't do it, it was you who did it. Get your ass over here! or else I'll tear down your Shaohua Garden."

Although ye Xinwan's words were vicious, she was still a little worried about the so-called retribution, so she planned to force Yun Chujiu to surrender herself.

"Aunt, don't blame me for not reminding you. Every blade of grass and tree here used to belong to my mother, and now they're all mine. If anyone dares to touch them, I'll make them suffer retribution!"

Yun chujiu still looked casual, but her tone was cold. Some people couldn't help but shiver.

"Humph! You're playing tricks! Smash it! Destroy this broken courtyard!"Ye Xinwan ordered the guards of the fan family behind her.

The guards of the Ye family immediately looked at Yun Chujiu. Should they stop her or not?

They saw Yun Chujiu's indifferent expression and didn't know what she meant. They thought about it and thought that she was a powerful person. It was better to stop her.

Therefore, the Ye family guards stopped the fan family guards one after another. Of course, they did not dare to be too forceful and only tried to persuade them nicely.

"Everyone, calm down. Aunt is just saying these words out of anger. How can she really smash the courtyard!"

"That's right. We are all one family. Don't be rash, don't be rash."

"Aunt and miss have some misunderstanding. In a while, our old master will come back. When that time comes, a piece of cloud will disperse."

..

The guards of the fan family would not listen to them. They pushed away the guards of the Ye family rudely. Some of them simply attacked. The guards of the Ye family did not dare to fight back. They were in a sorry state.

Yun chujia snorted coldly. "Are you guys still considered men? You are bullied to such an extent and you don't even dare to fight back? What are you trying to persuade me for? Beat them up! If there's anything, I'll take responsibility!"

The guards of the Ye family had been holding back their anger for a long time. Just now outside the courtyard, they were only defending and did not dare to attack. Hence, they were all wounded.

Now that they heard Yun chujia say this, damn it. Since there was someone backing them up, even if they could not beat them up, it was still better than being bullied like this.

Hence, the attitude of the guards of the ye family suddenly hardened, and the two sides formed a standoff.
