

The Yun Family's Ninth Child is an Imp! Chapter 2447

Yun chujiu frowned. What kind of madness were these guards of the Ye Family?

Initially, she had planned to let di beiming wipe out the guards of the fan family. But now, they were in a scuffle and there was no way to attack.

Sigh! There was really no way. She did not do anything. How did these people turn from fence-sitters to Little White Yang! Could it be that the glory of her humanity had awakened their conscience?

Ye Xinwan looked at Yun Chujiu viciously. "Little B * Tch, you're just like that B * Tch mother of yours. You're used to flirting..."

Before ye Xinwan could finish her words, she flew out like a kite with a broken string. After a long while, she heard a thump.

Yun Chujiu touched her chin. That old B * Tch was most likely sent flying into the pond in front of her by that pretty boy.

Seeing that their master was sent flying, the guards of the fan family did not care about the guards of the Ye family anymore. They all jumped out of Shaohua Garden to save ye Xinwan.

The guards of the Ye family looked at each other and did not know what to do.

Yun Chujiu took out a bottle of hemostatic pills from her storage ring and threw it to the little commander. "Treat your injuries first. I think they will be back soon."

The little commander opened the bottle cap and saw that although the grade of the pills inside was not high, they were actually transcendent-grade pills. He could not help but feel shocked and touched. After thanking her, he distributed the pills to everyone.

Not long after, ye Xinwan's vicious curses were indeed heard from afar.

Yun chujiu could not help but shake her head. Some people just did not learn their lesson. Anyone with a brain would not come and humiliate themselves. This ye Xinwan was really a self-righteous idiot.

No wonder ye Lan could easily set her and that fan jiquan up back then. The value of such an idiot was to be used by others.

This time, ye Xinwan was probably also used by Liu Shi. However, the opponent they met was her. It was destined that their ending would be to steal the chicken but end up losing the rice.

Sure enough, Ye Xinwan walked in with people cursing and swearing.

Although her clothes had been dried by her spiritual power, her meticulously combed hair was wet into a ball, looking extremely comical.

“Little B * Tch! I Don’t care what tricks you used. If you don’t obey obediently today, I’ll set Shaohua Garden on fire.”As Ye Xinwan said this, she got her subordinates to prepare to set the place on fire.

Yun chujiu thought of a saying, “A tree wants to be quiet, but the wind doesn’t stop. Sometimes, it’s not enough for you to calm things down. Take ye Xinwan and her daughter for example. She didn’t provoke them, but they came to provoke her again and again.”.

Forget it. Ye Xinwan already saw her as a thorn in her side, so there was nothing to be afraid of.

Yun chujiu thought of this and smiled lightly. She slowly walked towards ye Xinwan.

“Aunt, didn’t you want to teach me a lesson? I’m here.”

When the guards of the fan family saw Yun chujiu walking over, they could not help but step back, ye Xinwan cursed angrily, “It’s just a little B * TCH. If any of you dare to step back, I’ll kill him! You guys go up and capture her.”

Although the guards were afraid, they didn't dare to disobey her. They rushed towards Yun Chujiu and flew out one after another.

Ye Xinwan was really a little timid this time. She said with a stern face but a weak heart, "Little B * Tch, you, don't come over."

"Auntie, you're the one who asked me to come over, and you're the one who didn't want me to come over. With your inconsistency, I don't know what to do. Why Don't you come over?"

Ye Xinwan wasn't willing to go over. She turned around and wanted to run, but suddenly a huge pressure came over, and she couldn't move at all. She watched Yun Chujiu walk in front of her.
