

The Yun Family's Ninth Child is an Imp! Chapter 245

Everyone had fully understood one sentence from Yun Chujiu—that she was more shameless than the most shameless person!

Who agreed with you?! Who agreed to give you the consolation money?!

Did you not feel guilty saying that yourself?!

Master Xuanyuan's face darkened slightly. "Yun Chujiu, when did I agree to give you the consolation money?"

Yun Chujiu said with a twitch, "Didn't you say to put aside the matter of the consolation money for now? Didn't you mean to put it aside for later? Did I misunderstand? Forget it, if you don't want to give it, then so be it. Anyway, you have a bigger say in this than I do so I couldn't possibly argue.

"Master, you've ascended and are enjoying your life, leaving me, your poor disciple, alone. How pitiful! Not only was I struck by lightning, I'm so poor that I can't even afford to buy a bed. Master..."

Master Xuanyuan was so angry that his face contorted!

'This Yun Chujiu! What a little scoundrel!

'How was she crying for her master? She was clearly using Patriarch Linghua to pressure me!'

The corners of the other people's eyes twitched. In another two months or so, it would be time for the new disciple trial. If this person really managed to get into the top ten, would she not be courting death?!

Master Xuanyuan rubbed his forehead. "Don't cry! Get someone to follow you to the storeroom and collect a thousand low-grade Spirit Stones. It'll be considered as the sect's consolation money."

Yun Chujiu was still sobbing when the 'downpour' suddenly turned cleared. She said with a smile, "Master Xuanyuan is too kind! Since you're so generous, then I'll thicken my skin and accept it. I'm really sorry!"

Everyone was so angry that they snorted!

'How could you be embarrassed?!

'We've lived for hundreds of years, and this is the first time we've seen such a shameless person!

Yun Chujiu said goodbye to everyone with a smile. Then, she hopped and went to collect the Spirit Stones with the elder who was in charge of the treasury.

After Yun Chujiu left, Master Xuanyuan asked in a deep voice, "Everyone, what do you think about Yun Chujiu's purple Thunder Root Spirit?"

"Master, I've read about it in a book that has been passed down since ancient times. Although it isn't directed at the Thunder Root Spirit, I think the idea behind it might be the same!" The one who spoke was Elder Duanmu, who was in charge of the library.

Master Xuanyuan and everyone immediately turned their gazes to Elder Duanmu. "What records?"

"It's recorded that in addition to the five types of root spirits, there are three other types in the world. Namely, wind, thunder, and ice. Each type of root spirit's talent is divided into one to ten stars. If the talent is more than ten stars, then it will appear in a completely different state.

“The records refer to these root spirits with innate talent above ten stars as heavenly root spirits! “Not only does the heavenly root spirit cultivate at an astonishing speed, but it often has other hidden talents, such as alchemy, talisman-making, array formation, and so on.”

Everyone was stunned by Elder Duanmu’s words!

After a long while, an elder exclaimed, “Could it be that Yun Chujiu has the heavenly root spirit?”

Elder Duanmu nodded and then shook his head. “This heavenly root spirit is only a legendary existence. I’m only telling you what I know for everyone’s reference! As for whether Yun Chujiu has the heavenly lightning root spirit or not, I can’t say for sure.”

Elder Qu said excitedly, “It must be! Otherwise, why would Patriarch Linghua choose this little girl as his disciple? The rolling pin was not attracted to anyone else. Why did it choose Yun Chujiu? Sect Master, Spirit Radiance Sect has picked up a treasure this time!”

Master Xuanyuan and the others were also extremely excited, but Elder Duanmu sighed.

“Everyone, don’t be happy too early! Although the heavenly root spirit has all sorts of benefits, it’s because it’s too outstanding! The heavens doesn’t allow such a heaven-defying person to exist! This is also the reason why the heavenly root spirits has not appeared in the past tens of thousands of years! I surmise that the dense purple heavenly lightning that descended upon our sect was probably to kill Yun Chujiu!”
