

The Yun Family's Ninth Child is an Imp! Chapter 2455

Teacher Dong was stunned by Yun Chujiu's stroke of genius. His expression was a little unnatural as he said dryly, "It's good that you know. Take care of yourself!"

After saying that, teacher Dong flicked his sleeves and left the classroom. However, he seemed to be taking a detour and almost tripped over the doorsill.

Yun Chujiu was secretly happy. This teacher Dong was really interesting.

During lunch, Yun Chujiu said to Xue Wuji and Jin Zhi, "I'm going to the Second Grade's Day class to listen to the talisman seal class in the afternoon. Are you guys going?"

Xue Wuji and Jin Zhi shook their heads. They were not talisman seals masters, so it would be a waste of time if they went.

Therefore, after Yun Chujiu took a nap, she strolled to the day class alone.

Yun Chujiu was now a famous person in Xingtian Academy, so the moment she entered the classroom, all the second-year students in the classroom recognized her.

Since the second-year Dao Talisman class was an elective class, the students in the classroom were all second-year DAO Talisman students.

When everyone saw Yun Chujiu, they couldn't help but look at a male student. It was he hongquan, who had a conflict with Yun Chujiu. Everyone thought that Yun Chujiu was looking for trouble with him.

He hongquan revealed a panicked expression. Yun chujiu was no longer the same as before. She was the daughter of a first-class family. He couldn't afford to offend her.

The room was silent. Everyone's eyes flashed with gossip. Aiyo, this Yun Chujiu was really arrogant! She actually came to the classroom to take revenge!

Just as everyone was imagining it, they saw Yun chujiu walking towards he hongquan. Everyone immediately stretched their necks and looked at the two of them. They were going to fight! They were going to fight again!

Ever since Yun Chujiu asked for a leave of absence, the Xingtian Academy had not been lively for a long time. Today, they could finally feast their eyes!

He Hongquan's face revealed a panicked expression. He gritted his teeth and said, "Yun Chujiu, this is the academy. Even if your ye family is powerful, you can't use your power to bully others."

"Senior he, is there anyone sitting on the empty seat next to you?"

"Let me tell you, I'm not afraid of you. What? Empty Seat?" He hongquan was clearly confused. wasn't Yun Chujiu here to take revenge? Why did she ask about the empty seat?

Yun chujiu asked again. He hongquan said in a daze, "There's no one."

"That's great! This seat will be mine from now on. I'll be sitting here from now on. Please make way, let me in." Yun chujiu clapped her hands and said excitedly.

He hongquan's body reacted faster than his brain. He stood up subconsciously and let Yun Chujiu sit in the seat against the wall.

When he reacted, Yun Chujiu was already sitting in the seat and chewing on the spiritual fruit.

Cold Sweat broke out on he hongquan's forehead. It was over! What bad water was this Yun chujiu taking? Did she want to beat him up in front of the teacher? Or was she planning to interfere with his studies so that he would be eliminated during the final exam?

All of a sudden, he hongquan came up with a lot of scary schemes and tricks, and the cold sweat on his head grew more and more.

The other students in the classroom were thinking the same thing as he hongquan. This Yun Chujiu would definitely seek revenge for the smallest grievance. This time, she must have come up with some bad moves, and there would be a good show to watch in the future.

After a while, teacher Yang, who was teaching the second-year talismans class, walked in.

He did not notice that there was an extra student in the classroom. He began to teach the class step by step.

"Today, we will continue to learn the drawing method of the level-10 earth-splitting talisman. Everyone, look over here,"teacher Yang said as a shadow stone appeared on the podium.
