

The Yun Family's Ninth Child is an Imp! Chapter 2462

Among the crowd, a pair of sinister eyes stared at Yun Chujiu. It was Zhu Jingtong.

Although many people said that Zhu Jingtong's death had nothing to do with Yun Chujiu, he still hated Yun Chujiu. If she hadn't meddled, his younger brother might not have died! As for Yun Chujiu saving other students, what did the lives of those people have to do with him? !

Zhu Jingtong was afraid that Yun Chujiu would discover him, so he quickly averted his gaze. He could not confront Yun Chujiu head-on right now. He had to wait for an opportunity, a chance that he could hit with one strike.

Yun Chujiu glanced around and found an empty seat next to a fatty. She walked over and asked with a smile, "Senior, is there anyone inside?"

The fatty stood up and let Yun Chujiu enter and sit down. A gossipy light flashed in his eyes as he asked with a flattering smile, "Junior Yun, are you planning to sit in on the Alchemy Class?"

When the fatty saw Yun Chujiu nod, he continued to say fawningly, "Your Luck is not bad. Normally, our alchemy class goes to the alchemy room. It's just that today is a theory class, so we will be in the classroom."

The corner of Yun Chujiu's eyes twitched. It was actually a theory class again? Speaking of which, she was also confused. The alchemy class in the classroom was naturally a theory class. Alchemy was not like talisman seals, where one could just find a place to operate it.

However, since she had already come, she could not leave now. So, theory was theory.

After a while, instructor Luo, who was in class, walked in.

Instructor Luo did not notice Yun Chujiu, he said to the crowd, "The alchemy room was originally arranged for the use of the third grade, but because the instructor who taught them had something urgent, their class was canceled. Therefore, we will still go to the alchemy room for this class. Let's go."

The crowd followed instructor Luo out of the classroom and headed to the alchemy room.

Yun chujiu swaggered behind the crowd. She did not look guilty at all, as if she was a second grader.

The crowd did not dare to expose her, for fear of her revenge.

Thus, this fellow successfully followed the crowd to the alchemy room.

This alchemy room was prepared for the students. In the middle was the instructor's operating table, and around it was the students' operating table.

Under the operating table was the earth fire that was connected. As long as one pressed the switch, they could use it. It was very convenient.

Yun chujiu shamelessly occupied the best spot. The rest of the people dared to be angry but did not dare to say anything. They could only hope that instructor Luo would discover this dove that was occupying the magpie's nest.

Instructor Luo was probably too focused on his lecture and did not pay much attention to it. Of course, he did not think that there would be people who would come to take advantage of the class. The main reason was that no one had ever done this before!

Instructor Luo took out some herbs from his storage ring, he said to the crowd, "Today, I will demonstrate the refinement of the level 11 clear heart and break adversity pill. I have already explained the formula to you. Today, I will mainly observe the steps of my refinement."

Instructor Luo pointed casually. "You, recite the formula for the clear heart and break adversity pill."

Yun chujiu looked at teacher Luo's finger with an expression of exasperation. Why was it so difficult to get a lesson? ! Getting a lesson on talismans and now getting a lesson on alchemy, why was it so difficult? ! !

The students couldn't help but gloat. They deserved it! ! I told you to take the best seat, but you got your comeuppance this time, didn't you? !

Yun chujiu complained in her heart. How would she know the formula for the heart cleansing and breaking adversity pill? ! If she knew the formula, she wouldn't have come to the Class!

Teacher Luo, who was fiddling with the herbs, saw that there was no movement for a long time. He then raised his head and saw the little girl standing there. He cried out in surprise, "Yun Chujiu? How did you get in?"
