

## The Yun Family's Ninth Child is an Imp! Chapter 2467

Yun chujiu rubbed her eyes and pinched herself again. Hiss, it really hurts!

Yun chujiu felt as if she had opened the door to a new world. So it turned out that this disguise pill could not only change one's appearance, but it could also make demon beasts smaller or even change their species?

A beautiful scene instantly appeared in this fellow's mind. She threw out a lot of disguise pills, and those demon beasts instantly turned from big to small and cute. When the time came, she could establish a temporary contract with them, then, she could lead the Demonic Beast Army to slaughter everyone..

Xiao Heiniao asked weakly from inside the spirit beast bag, "Master, why did you establish a temporary contract? Can't you just take them?"

"Are you stupid? ! Why did you raise so many demonic beasts to eat and drink? I'm so poor raising you guys, how can I raise them? !"

Xiao Heiniao shrunk its neck and the other three looked at it with disapproval on their faces, calling it 'you owe me'! ! Why did you ask if there was nothing to do? ! Did you get scolded? ! !

Yun Chujiu was reminded of a big problem by Xiao Heiniao's interruption. She only had two transformation pills left in her hands. No matter how amazing the transformation pills were, she did not have any more!

Although she could refine them herself, two of them were very rare. One was the lotus seeds of the thousand leaf golden grade lotus, and the other was the dragon blood ginseng. It was difficult for a clever woman to cook without rice. No matter how powerful she was, she could not refine them.

Just as Yun Chujiu's thoughts were running wild, the Fire Eating Xiu on the ground woke up. Its movements were exactly the same as Yun Chujiu's. It rubbed its eyes with its claws and even slapped itself twice. Then, in despair, it realized that.., everything in its eyes had become incomparably huge.

Then, it rolled its eyes and fainted again.

Yun Chujiu kicked the Fire Eating Xiu with the tip of her foot. "Isn't your mental quality too bad? It just became a little smaller. Didn't it just change from a Fire Eating Xiu to a kitten? What's The Big Deal? !"

The Fire Eating Xiu, which had just recovered, choked and fainted for the third time.

A kitten?

It couldn't live anymore!

It was a magnificent level 45 demonic beast, but now it had turned into a level 4 fire-breathing cat? Damn it, it was still a kitten!

It no longer had the face to live in this world. It had let down its ancestors. It was still a single xiu. It didn't even have a wife. Could it be that it could only marry a cat in the future? And then give birth to a bunch of kittens?

The more it thought about it, the more it had no way to live. Fire Eating Xiu decided to commit suicide!

Therefore, it crashed into a rock. Then, it tragically discovered that it was really too weak. Other than the big bump on its head, it was still alive and kicking.

Yun chujiu watched fire eating xiu self-harm with relish at the side. From time to time, she even helped to suggest, "Kittens, run a few steps and hit the rock again. That way, you will be dead."

"Kitten, why don't you strangle yourself to Death!"

"Walk forward. You'll be eaten by a random demonic beast."

..

The Fire Eating Xiu was almost angered to death by this fellow. It was all her fault! If it wasn't for her stupid pill, would it have become like this?

The more it thought about it, the angrier it got. It spat out a fireball at Yun Chujiu.

Yun chujiu didn't even try to dodge it. She casually pulled, the ball of fire was extinguished. "Kitten, Do You Think You Are Still Fire Eating Xiu? You still dare to attack me? I can crush you to death with one finger! My spiritual pets were just worried about not having any toys. They could use you to have fun!"
