

The Yun Family's Ninth Child is an Imp! Chapter 2468

As Yun Chujiu spoke, she released the three Silly Cuties. When the little black bird saw the Fire Eating Xiu, it cried out, "Wa Wa, where did this little cat come from? There are still such low-level demon beasts in the Immortal Yuan continent?"

Xiao Hong, the little red fox, directly kicked the fire eating Xiu away with her claws. This damned fire eating Xiu had tormented its master many times. Finally, it could take revenge!

Xiao Hei glanced at the fire eating Xiu that had fallen to the ground like a dog gnawing on its feces. What the F * ck! Why did you have to turn into a kitten? You were deliberately going against it!

Therefore, Xiao Hei and the little red fox, Fire Eating Xiu, took it as a shuttlecock. One Claw, one claw. They were having a great time.

Fire Eating Xiu finally understood what it meant to live a life worse than death!

It was simply unlucky for eight lifetimes!

It must have owed this wretched girl in its previous life! Ever since it met her, the fire marrow had disappeared! Ever since it met her, it had been played around! Ever since it met her, it had changed from A Level 45 demonic beast to a kitten!

Wu Wu, it didn't want to live anymore!

At this time, the sky had completely darkened. Yun Chujiu was afraid of attracting other demonic beasts, so she put the three silly cubs into her storage ring and then entered the belly of the mountain from last time.

Although many days had passed, the belly of the mountain was still very hot. Yun chujiu felt that there might still be remnants of fire marrow underground. Otherwise, the temperature in the belly of the mountain would not be so high all the time.

Yun chujiu blocked the entrance of the cave with a stone and took out the luminous pearl to illuminate it. Then, she took out a chair and sat on it. She looked at the Fire Eating Xiu that was dead on the ground with a faint smile.

"Kitten, do you want to return to your original appearance?"

Fire Eating Xiu, who was pretending to be dead on the ground, immediately jumped up. It opened its mouth and said, "Aim — aim..."

The last bit of self-respect in Fire Eating Xiu's heart had also disappeared. Damn it, even its voice had changed. It was really too ashamed to see a beast!

Yun chujui laughed until her stomach hurt. This transfiguration pill was really a great invention! To humans, it was a transfiguration pill, but to Demonic Beasts, it was a transfiguration pill!

Fire Eating Xiu dared to be angry but did not dare to speak. It bit the corner of Yun Chujui's skirt and acted coquettishly without a teacher.

The corner of Yun Chujui's eyes twitched. When she thought of the hill-sized fire eating Xiu acting coquettishly to her, she felt goosebumps all over her body!

Yun Chujui kicked the fire eating Xiu and rolled it away. She sneered and said, "Now you know how to please me? Weren't you very awesome before?"

The Fire Eating Xiu had no choice but to lower its head and curl up into a ball. It looked at Yun chujui pitifully. It had already thought it through. If its face was gone, so be it! Now, only this stinky girl could make it return to its original state. It would first make her happy and then find a chance to take revenge in the future.

Yun chujui curled her lips. "Don't pretend to be pitiful with me. I still don't know what you're thinking. Don't you plan to get the antidote first and then settle the score with me?"

The Fire Eating Xiu lowered its head guiltily and didn't dare to look at Yun Chujui. It was aiming at her. This wretched girl was simply Inhuman! ! How did she know what it was thinking? !

Yun chujju rubbed her chin and thought for a moment. Actually, she didn't really want to take in this fire eating xiu. Although the four in her spirit beast pouch were very weak now, their potential in the future was endless.

Although this fire eating Xiu had returned to its original form and was still quite formidable at the moment, there was probably limited space for it to grow in the future.

When the Fire Eating Xiu saw the change in Yun Chujiu's expression, it could not figure out what Yun Chujiu was thinking. It felt that this little girl was quite strange. Shouldn't ordinary people take advantage of the situation and contract it? It was equivalent to a human's sixth layer of spiritual space!
