

## The Yun Family's Ninth Child is an Imp! Chapter 2469

Yun chujju glanced at the fire eating xiu. "I really dislike you. Your rank is too low! You're neither a Divine Beast nor an immortal beast. You're not even a mutated beast. Tell me, if I take you in, it'll lower my style!"

Fire Eating Xiu was so angry that it was twitching. You're really shameless! Divine Beast? Immortal Beast? Mutated Beast? Do you think these are all cabbages?

You want to take me in, but I'm not willing! I, a dignified 45th tier demonic beast, acknowledge you, a weak chicken, as its master? In your dreams!

When the Fire Eating Xiu was beyond redemption, yun chujju continued, "Now there are only two choices. One is to take you in as a spiritual pet, and the other is for me to kill you. Which do you choose? Why Don't you choose to die? After all, you're so useless. It's a waste of resources to live."

Meow, there's no way to Live!

Fire Eating Xiu fainted for the fourth time, and it fainted with its eyes open! It simply fainted with its eyes open, alright? !

Yun chujju ignored it. She took out the stone table, placed the food on it, and began to eat dinner.

After waking up, Fire Eating Xiu sniffed and quietly ran to the side to chew on the ore. However, it tragically discovered that the ore, which was originally like tofu, was now unable to chew on!

Moreover, it tragically discovered that the human food that it originally disdained was now extremely attractive to it! Meow! Could it be that its body had turned into a cat, so its appetite had also turned into a fire-breathing cat? It could no longer live!

The Fire Eating Xiu originally wanted to be a fierce beast that would rather die than submit, but it would rather die than stay alive. Moreover, it was so hungry!

The fire eating Xiu slowly approached Yun chujiu's feet and used its claws to pull the corner of Yun Chujiu's skirt in a fawning manner. "Take a look!"

Yun chujiu lowered her head and looked at the Fire Eating Xiu that had transformed into a cat. She threw a meat bun to it out of kindness.

The Fire Eating Xiu immediately caught it with its claws and began to devour it.

Meow, it's so delicious, so delicious!

Yun chujia held her chin as she looked at the Fire Eating Xiu. In her previous life, she had seen many little girls raising cats, but because of her special status, she had never had the opportunity to raise one. Now, raising one looked pretty good.

In the future, she would find the lotus seeds of the thousand-leaf golden-grade lotus and the dragon blood ginseng and refine a lot of transfiguration pills. When that time came, she would let the Fire Eating Xiu maintain its appearance as a cat. Yes, that was what she would do!

The certain Xiu, who was crazily chewing on the meat bun, did not know that his miserable days had been set in stone at this moment. In the countless nights that followed, the certain Xiu would be filled with regret. He had betrayed his moral integrity because of a meat bun, he had betrayed the dignity of the Fire Eating Xiu. Sob, sob, don't say anything else. They were all tears!

"Hey, Cat Cub, do you choose to die or choose to be my spiritual beast?"

A certain Xiu stared at the meat bun on the table. "Aim!"

Yun chujia curled her lips. Using a meat bun to kidnap a spiritual beast, so be it!

Yun chujia bit her middle finger and established a contract with the Fire Eating Xiu. The Fire Eating Xiu did not recover for a long time.

She, she actually established an equal contract with it?

Was this little girl stupid? Didn't she know that the master pet contract was more restrictive to it?

"Little, Little Master, why did you establish an equal contract with me?" Fire Eating Xiu stiffly changed the little girl to the Little Master.

Yun chujiu threw a meat bun to fire eating xiu and said indifferently, "You don't owe me anything. I don't need you to die with me. If I really die, you'll Be Free!"
