

The Yun Family's Ninth Child is an Imp! Chapter 2475

As the Cat Cub had crossed the road, Yun Chujiu started to walk the cat whenever she had nothing to do.

What?

Did you say that the Academy's rules forbade the release of spiritual pets?

Sorry, a certain Jiu had a lot of points. If you had the ability, go and report it!

After that, there was no after that. A certain Jiu was still walking the cat openly and no one reported it.

The Fire Eating Xiu was already shameless after being destroyed! For the sake of a mouthful of food, it eagerly followed behind Yun Chujiu and acted cute.

"Kitten, go up the tree and pluck the reddest and largest fruit for me." Yun chujiu pointed at a spirit fruit tree and said to the Fire Eating Xiu.

The Miserable Fire Eating Xiu climbed up the spirit fruit tree and bit off the stem of the fruit. Yun chujiu caught it in her hand and gave a small dried fish to a certain Xiu with satisfaction.

The certain Xiu gnawed on the small dried fish with sorrow in its heart. It thought back to when it was the overlord of the Sky Fire Valley. It thought back to when it was the Indomitable Fire Eating Xiu, but now? It had actually become a target to pluck the fruit. When would this day end? However, speaking of which, climbing the tree seemed to be quite fun..

On this day, Yun Chujiu went to the alchemy class as usual.

Although Yun Chujiu was tyrannical, she also felt that it was inappropriate to walk the cat in the alchemy room, so she planned to put the Fire Eating Xiu into the spirit beast bag.

“Take a peek! Master, I want to climb the tree.”A certain Xiu was addicted to climbing the tree every day. If it didn’t climb the tree for a day, it would feel like something was missing.

Yun Chujiu felt that no one dared to openly harm the fire eating xiu. Moreover, they had a spiritual sense connection, so she would know if there was danger.

Therefore, she agreed to the Fire Eating Xiu’s request and put it outside, letting it play by itself.

Two hours later, the alchemy class ended.

Yun chujiu walked out of the alchemy room and looked around. She did not find fire eating xiu.

Where did this kitten go?

Yun chujiu quickly used her spiritual sense to contact fire eating xiu. She was shocked to find that she could not contact fire eating Xiu! How, How was this possible?

There was only one possibility for such a situation to happen. Fire Eating Xiu's current location could isolate spiritual sense. Could it be that the kitten had been captured?

Who would capture a Level 4 Kitten for no reason? Could it be targeted at her?

Although Yun Chujiu did not have deep feelings for the kitten, she would not leave it to die. She quickly mobilized the crowd to search for it.

Although some of the students were gloating over Yun Chujiu's misfortune, they still tried their best to help her search after hearing Yun Chujiu's promise of a large sum of money.

However, even so, they still found nothing.

At this moment, Yun Chujiu felt a slight pain in her divine sense. Her contract with the Fire Eating Xiu had actually been severed!

There were only two possibilities in this situation. Either the Fire Eating Xiu had died, or someone had forcefully severed the contract in the Fire Eating Xiu's divine sense.

A fierce glint flashed across Yun Chujiu's eyes. She had to find this person! Even if it was Yun Chujiu's kitten, it would be courting death if anyone touched it!

Yun chujiu forced herself to calm down. There were only a few places in the Xingtian Academy that could block spiritual sense, so where could it be?

Yun chujiu suddenly had a thought and quickly jumped toward the Heavenly Dao Cliff.

"Little Tiantian, do you know the whereabouts of the kitten? Did someone bring it to the bottom of the valley?"

"Two hours ago, someone did go down to the bottom of the valley. As for whether he took your kitten, I don't know. Oh right, that person is the one I told you about. He has been going down to the bottom of the valley recently."

“Little Tian Tian, send me down.” Yun Chujiu had a premonition that the person who went down to the bottom of the valley was most likely the person who activated the teleportation formation and also the person who stole the kitten.

“Can you do it alone? That person has already entered the cave of the nine Yin Netherworld Flower. I can help you if you are at the bottom of the valley, but I can’t help you if you are in the cave,” Tiandao Cliff said worriedly.
