

The Yun Family's Ninth Child is an Imp! Chapter 2476

"It's fine. Send me down. If I'm any later, I'm afraid that the kittens will die."

Yun Chujiu didn't have anyone she could trust in the Xingtian Academy other than Xue Wuji and Jin Zhi. Furthermore, they might not be able to help her even if they were to go down. It was better for her to stay up there. If anything happened to her, there would be someone to deliver the message.

Besides, she still had the great void mirror. It wouldn't be a problem for her to keep her life.

Therefore, after Yun Chujiu sent a message to Xue Wuji and Jin Zhi, she asked the Heavenly Dao cliff to send her to the bottom of the valley of Hell.

..

At this moment, in a cave in the valley of Hell, the Fire Eating Xiu was curled up in a corner. There were still traces of blood on its mouth and legs.

In front of it stood a man dressed in a teacher's uniform. The man held a porcelain bottle in his hand. He licked it with his tongue and frowned, he thought to himself, "Strange, there's nothing unusual. What's going on? If it's just a fire-breathing cat cub, why would it make the other Demon Beasts' cubs submit?"

The spiritual power of the Fire Eating Xiu was restrained. Although it wanted to tear the man in front of it into pieces, it could only curse in its heart.

The man pondered for a moment, then said with a sinister smile, "Little thing, it seems that I can only establish a temporary contract with you to understand the ins and outs of the matter!"

"Meow! Don't even think about it! I will not establish a temporary contract with a bastard like you even if I have to use my divine sense." Fire Eating Xiu cursed angrily. However, to the man, it was just a peering sound.

The man held a three-inch long needle in his hand and pricked Fire Eating Xiu's body. He heard Fire Eating Xiu's miserable cry, his face revealed a brutal pleasure. "Little Thing, how does it feel to be pricked by a needle? If you don't want to be pricked, quickly show your submission."

"You turtle B * Stard! You will die a horrible death! Don't even think about it!" Fire Eating Xiu's stubborn temper was triggered. Although his body was covered in wounds, he still did not yield.

The man stabbed Fire Eating Xiu's body again, then, he said sinisterly, "Little Thing, don't tell me you are delusional to think that Yun Chujiu will come and save you? Don't tell me that she would not think that I have caught you at the bottom of the valley. Even if she knew, do you think she would take the risk to come and save you? You are just a toy of hers!"

The light in Fire Eating Xiu's eyes became dimmer and dimmer. Yes, its contract with the little girl had been broken, and it was useless. How could the little girl come and save it?

The man glanced at the Fire Eating Xiu's appearance and laughed sinisterly. "How is it? Little Thing, as long as you establish a temporary contract with me, I'll spare you. Don't you like eating dried fish? I'll let you eat as much as you want in the future."

The Fire Eating Xiu raised its head with great effort, it glanced at the man with disdain. "Take a look, you self-righteous fool! "Do you really think that I would throw away my face just for a few dried fish?" "It was happy to curry favor with the little girl because it didn't hate her."

Although the man didn't understand Fire Eating Xiu's words, he could see that Fire Eating Xiu was looking down on him.

The man kicked fire eating Xiu away and knocked it against the stone wall.

Blood flowed out of the Fire Eating Xiu's mouth again. The man walked in front of it and stared at it coldly. "Are you willing to submit or not?"

Fire Eating Xiu closed its eyes. It would rather die than submit. This was the dignity of a demonic beast.
