

The Yun Family's Ninth Child is an Imp! Chapter 2477

The Man's face was gloomy. He originally thought that he could easily tame this little thing, but he didn't expect that it would rather die than establish a temporary contract with him.

Although he could forcibly establish a temporary contract with it, if it self-destructed its spiritual sense, it would also damage his spiritual sense. This really wasn't worth it.

The man took out the long needle again, he said coldly, "Little Thing, if you still don't give in, I'll Stab Your Eyes Blind. In the future, you'll become blind. Think about it, it doesn't matter who you acknowledge as your master. Why Are You So Stupid?"

The Fire Eating Xiu coldly glanced at him. It forced itself to stand up and looked at the man with disdain.

The man could not help but take a step back. He actually felt a pressure from this heavily injured little thing. Could it be that this little thing was really unusual?

The Fire Eating Xiu had already made up its mind. If the man really wanted to stab it in the eye, it would self-detonate its inner core. If it could not heal this bastard, it could forget about it.

The long needle in the man's hand was getting closer and closer to the Fire Eating Xiu. At this moment, someone said coldly, "Teacher, you bullied my spiritual pet. Have you asked for my opinion?"

When the Fire Eating Xiu saw the person who spoke, its pitch-black eyes immediately became watery. She had really come to save it?

The man turned to look at the person who spoke and held the fire eating Xiu in his hand, with a fake smile, he said, "Yun Chujiu? I didn't expect that you could really find this place. This is also good, so that I won't have to waste my energy to find another opportunity to kill you."

Yun chujiu took a few steps forward. "Kill me? Does that mean that you were the one who tampered with the teleportation array last time?"

"I didn't expect you to know so much. It seems that I underestimated that old guy at the array, and he actually found out about it." "I have to say, you are really stupid. Since you know it's me, why did you still come down?" The man said contemptuously.

"Because it's my spiritual pet. If I don't Save It, who will? ! Let It Go, and I'll let you go." Yun chujiu saw the blood stains on the Fire Eating Xiu's body, and her heart was instantly filled with anger.

The man was stunned at first, then he laughed out loud, "Yun Chujiu, you're really stupid. You actually risked your life for a spiritual pet? Since you're so kind, then I'll let your master's pet die together. It can be considered as me doing a good deed!"

Fire Eating Xiu hurriedly took a few glances and cried out. The meaning was obvious. It told Yun Chujiu to quickly leave and ignore it! It used to think that those spiritual beasts that recognized humans as their masters were simply stupid. Giving up the freedom and dignity of a demonic beast to protect a human, wasn't it sick? !

The reason why it agreed to establish a contract with Yun Chujiu was that it wanted to return to its original form. It had already calculated that once it returned to its original form, it would find an opportunity to return to its original form.

Although in the process of implementing the contract, the route was a little off, and it was becoming more and more like a cat, its original intention had never changed! How could a level 45 demonic beast be willing to become a weak human spiritual beast? !

However, at this moment, it finally understood why some divine beasts would recognize a human as their master. It was because there was a type of emotion that was not limited to species, and that was friendship.

The Man Laughed Evilly. "TSK TSK, you really have a deep affection for your master! Darn Girl, I'll give you a choice. If you obediently surrender, I'll let this little thing go."
