

The Yun Family's Ninth Child is an Imp! Chapter 2478

Yun chujiu curled the corners of her lips. "How do I know if what you're saying is true? Swear it. After you swear it, I'll let you do whatever you want. As long as you let the kitten go."

Fire Eating Xiu cried out anxiously. Was she stupid? But why was its heart sour and bitter? This was an unfamiliar feeling, an emotion it had never experienced before. Perhaps this was friendship?

The man did not expect Yun chujiu to agree so easily. He despised her in his heart. This Yun chujiu was really stupid. She was willing to sacrifice her life for this cat cub.

"Alright, I swear. If you surrender obediently, I will let this little thing go. If I don't, I will be struck by lightning and die a horrible death." The man thought, if he let this little thing go, it wouldn't be able to escape. When the time came, he would just catch it back.

Yun chujiu nodded, took out a porcelain bottle, and threw it to the man. "The spirit devouring powder is inside. You can test it."

The Man took it, opened the porcelain bottle, and saw that it was indeed the spirit devouring powder.

"You are now in my palm. Don't play any tricks, or else, I will make your life worse than death," the man said viciously as he threw the porcelain bottle to Yun Chujiu.

Yun chujiu did not say anything. She poured out three spirit-devouring powder from the porcelain bottle and swallowed them. As expected, there was no spiritual energy fluctuation on her body.

“Now can you let go of the Kitten?”

The man was a little surprised. The effect of the spirit-devouring powder did not seem to be so fast? However, it was probably because she swallowed three of them at once that the effect was so obvious.

The man was afraid of the backlash from the oath, so he threw the fire eating Xiu to Yun chujiu. “It’s just a beast. You’re really stupid.”

Yun chujiu saw that although the fire eating Xiu looked very miserable, it was only a superficial wound and there was no threat to its life. Only then did she heave a sigh of relief in her heart. Then, she put the Fire Eating Xiu into the spirit beast bag.

The man immediately realized that something was wrong. How could a person without spiritual power use the Spirit Beast Bag?

Yun Chujiu put another pill to stop the bleeding into the spiritual beast bag, then, she looked at the man coldly. “Are you surprised? Do you think I’m stupid enough to be blackmailed by you? TSK TSK, although I don’t know who your master is, I have to say that you’re really stupid!

“You’ve been hiding in Xingtian Academy for many years, right? “You actually gave yourself away for a kitten. If your master finds out, do you think he’ll die of anger?”

The man saw that Yun Chujiu’s spiritual power had recovered to the sixth level of the Lingxuan realm, and he was so angry that his face turned green. “Stupid girl! You tricked me! Don’t be too proud of yourself. How can a trash of the sixth level of the Lingxuan realm escape from my hands? !”

“I am quite weak at the sixth level of the Lingxuan realm. I wonder what level of spiritual power you have? Could it be that you are at the ninth level of the Lingkong Realm?”Yun Chujiu did not show any panic on her face, and she asked with a slightly mocking expression.

“You, you! You really have a sharp tongue. Although I am not at the ninth level of the spiritual void realm, my first level of the spiritual void realm is enough to deal with you!”As the man spoke, he threw a palm at Yun Chujiu.

The man did not use his spiritual beast. Clearly, he wanted to capture her alive and torture Yun Chujiu before killing her.

Yun chujiu jumped to the side and dodged the man’s attack. She did not have the same scruples as the man and threw several spiritual needles at the man.

The man seemed to have some understanding of Yun Chujiu's spiritual needles, so he did not use his hands to catch them. Instead, he raised his spiritual shield to block the attack of the small spiritual needles.

The two of them fought. The man saw that although Yun Chujiu's spiritual power was low, her movement was very fast. He lost his patience and released his spiritual beast at Yun Chujiu.
