

The Yun Family's Ninth Child is an Imp! Chapter 2482

Yun Chujiu looked at a certain Xiu who was trying his best to eat the dried fish. "Little Cat, why did that Person Catch You?"

A certain Xiu was at a loss. "He said that he wanted to establish a temporary contract with me. He said that by establishing a contract, he would understand the whole story. I don't know what he wants to do either. Is He a psychopath?"

The whole story?

Could it be that he could see that there was something strange about the cat cub?

It didn't make sense! The cat cub looked no different from a fire-breathing cat cub. How could he see that there was something strange?

Yun chujiu recalled that that person was the teacher of the Beast Master Department. Could it be that he had some secret method to see the uniqueness of the cat cub?

The three of them discussed for a long time, but they still couldn't come up with a reason, finally, yun chujiu said, "How about this? When this matter is over, I will find some time to test teacher Du, who teaches US Beast Master. He is quite knowledgeable about demonic beasts. If he also can't find out the uniqueness of the cat cub, then there shouldn't be any problem."

The next day at noon, Yun Chujiu went to class as usual. She did not hear any news about the disappearance of the teacher.

She thought for a moment and understood the gist of it. That person often went to the bottom of the valley of Hell. He had probably thought of an excuse, so no one would pay attention to him even if he went missing for a few days.

A few days later, there was a faint news from the academy that a teacher surnamed Ma from the Beast Master Division had gone missing. There were many different opinions. Some said that he was greedy for the things from the Beast Master Division, so he fled because he was afraid of punishment.

There were also some who said that he had climbed to a higher position, so he left without saying goodbye.

Among all these theories, no one guessed that teacher Ma had met with an accident. After all, Xingtian Academy was heavily guarded, so it was impossible for anything to happen. Moreover, teacher Ma's spiritual power level was not low. If someone were to kill him.., there would not be no movement at all.

Although Yun Chujiu was slightly relieved, she still had some worries in her heart. She didn't know if teacher Ma's accomplice was still in the Xingtian Academy, so she had to be more careful in the future.

That afternoon, Yun Chujiu went to the Spirit Beast Park to look for teacher Du.

“You Little Girl, you haven’t been here for a long time! Are you craving for honey again?”Teacher du teased.

Yun chujiu laughed dryly and said, “Look at what you said. I’m not a bear. I Can’t move when I see Honey. This time, I want you to help me take a look at my spiritual pet. It hasn’t advanced for a long time. What’s going on?”

Teacher du saw that the kitten didn’t laugh at him like the others, so he carefully observed it, then he said, “I see that this fire-breathing Kitten’s spiritual sense seems to have been damaged. After it recovers its spiritual sense, it should be able to advance.”

Yun chujiu nodded, and then asked with her starry eyes, “Teacher Du, do you think this cat Cub of mine is some kind of divine beast or Immortal Beast Cub? That’s why it hasn’t broken through yet.”

The corner of teacher Du’s eyes twitched violently. He thought to himself, no wonder this little girl has been raising such a cat cub. It turns out that she still fantasizes that this is a divine beast or immortal beast? It was simply a Fool’s dream!

“Little girl, HMM, your wish is good, but this is indeed just a fire-breathing cat cub.”. Although the fire-breathing cat’s bloodline was mixed with the blood of the qilin, Pi Xiu, white tiger, and many other divine or immortal beasts, those were all ancestors from hundreds of thousands of years ago, or even millions of years ago.

After countless generations of reproduction, it had long since faded to almost nothing. "So, if you have the chance, you'd better take in a spirit pet of a higher level. This one can be your playmate."
