

## The Yun Family's Ninth Child is an Imp! Chapter 2485

Yun chujiu and the other two strolled forward unhurriedly. The trial would last for a month anyway, so there was no need to be too anxious.

Suddenly, Yun Chujiu's spiritual sense transmitted the crying voice of the Fire Eating Xiu. "Master, they hit me! Aim, I can't live anymore."

Seeing that there was no one around, Yun Chujiu released the five Silly Cuties.

"Speak, Kitten, what's Going On?" Yun chujiu looked at the Crying Fire Eating Xiu and asked.

Fire Eating Xiu cried miserably. "Master, they all hit me. They said I was unnecessary! Take a look!"

Fire Eating Xiu's heart collapsed. It had wanted to be a spiritual pet obediently, so why would it be bullied?

Yun chujiu glanced at the other four, and each of them lowered their heads guiltily. No one said anything.

Yun chujiu pointed at the little red fox. "Xiao Hong, what's going on? Why are you bullying the kittens?"

Xiao Heiniao stole a glance at the little black bird and stuttered without saying anything.

Yun chujia immediately realized that the root of the problem was with the little black bird. She pointed at the little black bird and asked sternly, "Xiao Hei, tell me, what's going on?"

Xiao Heiniao snorted coldly, it said proudly, "I was the one who ordered it. I just don't Like It! Why do you always walk it? Why do you treat it so well? "We are all much more senior than it, and our bloodlines are much higher. Why do you dote on it?"

"Moreover, what's wrong with its transformation? "Why did it transform into a cat? "Doesn't it know that Mickey Mouse's sister hates cats the most? "!"

After Xiao Heiniao finished speaking, the other three looked like they had a common enemy. That's right, why did this kitten get preferential treatment? They also wanted to go out for a walk!

Yun chujia choked. It was not that she doted on the Fire Eating Xiu, but she felt that it was more normal to walk the cat. Otherwise, would she be allowed to walk the Crow? Walk the mouse? Walk the Fox? Or walk the mushroom?

Yun chujia touched her nose. "If you can disguise yourselves well, I will walk you in the future! Besides, if there is a problem, the solution is, why are you bullying the kitten?"

“Although it was not very popular in the past, now that it has turned over a new leaf, can’t you be more magnanimous? “You are brothers and sisters, can’t you take care of the Kitten?”

Fire Eating Xiu originally looked like a cat bullying others, but when it heard the last few words of Yun Chujiu, it was instantly dumbfounded! What did she mean by not very likable? What did she mean by ‘brothers and sisters’?

Could it be that she still had to call those idiots as ‘brothers and sisters’? ! What kind of joke was this? !

Xiao Heiniao was actually happy as it cried out loudly, “Kittens, from now on, you’re the fifth brother! I’m telling you, in the future, you better behave yourself, or else I’ll Beat You Up!”

Xiao Heiniao saw that Yun Chujiu was glaring at it and quickly changed its words, “I am joking with you! Well, all of you can go into the Spirit Beast Bag, I will accompany Master.”

Fire Eating Xiu did not expect that it was originally going to complain, but in the end, it became a follower. Meow Meow Meow, it really wanted to die first.

Yun chujiu warned them for a while, then she put the four little black rats into the Spirit Beast Bag, then looked at Xiao Heiniao and said, “Are you sure you want me to walk you?”

Xiao Heiniao's eyes widened. "Of course I'm sure. Am I not more noble than that kitten? Master, You Walking Me will definitely improve your style."

Yun chujiu curled her lips. "Alright, since that's the case, let's Go! Oh right, let me remind you that flying is prohibited in here."

Xiao Heiniao:" ..."

Black-hearted master, you can't Play Like That!
