

The Yun Family's Ninth Child is an Imp! Chapter 2491

Yun Chujiu decided to use the remaining half a month to carry out the trial. This was a good opportunity.

Jin Zhi and Xue Wuji naturally did not have any objections. After all, the previous half a month was no different from playing. They did not really fight.

Hence, wherever the three of them passed, Demon Beasts were in trouble!

Could this be called a trial? Which trial was surrounded by a large group of sky net poisonous bees? Which trial was beaten half to death and didn't give them a quick end, yet they still had to continue fighting?

Which trial was tormented to the point where they had no hope of living, yet they were forced to establish a temporary contract?

What did you say? You want to protect the dignity of the demonic beasts, and would rather die than submit?

What a joke, let's not talk about the issue of unyielding first, we can't stop that smelly girl from opening her mouth! After making the beasts dizzy, they were contracted. When they came back to their senses, it was all for naught!

Therefore, Yun Chujiu and the other two tried to contract the demonic beasts along the way. Yun Chujiu felt that the spirit beast bag that the pretty boy gave her was really a treasure. It contained so many demonic beasts, but it only occupied a small space.

“Little Sister Jiu, why did you contract so many Demonic Beasts?”Xue Wuji asked in confusion.

Yun chujiu blinked her eyes. “I’m not afraid of anything. Who knows if the Qi Ling here will play tricks? I’m also worried about Liu Jinluan and her sister. I’ll feel more confident if I contract more demonic beasts.”

Xue Wuji finally understood. He thought to himself, let’s not talk about the Qi Ling first. If Liu Jinluan and her sister came to find trouble, it would be like asking for a beating. Not to mention those demonic beasts, those tianluo poisonous bees could scare them to death!

As soon as Yun Chujiu finished her words, more than ten people walked over from afar. The leaders were Liu Jinluan and Qi Ling.

Yun chujiu narrowed her eyes. She really couldn’t help but mutter!

When Liu Jinluan saw Yun Chujiu and Qi Ling, she immediately led her people to surround the three people in the middle.

“B * Tch! You Didn’t expect this day to come, did you? ! The humiliation you gave me last time, this time I will take back both the principal and interest. Kneel down!”Liu Jinluan’s beautiful face was full of malevolence.

Yun chujiu looked at her as if she was an idiot. “Liu Jinluan, are you crazy? Do you think that everyone in the Four Seas is your mother? Do you think that others have to do whatever you say?”

Liu Jinluan was so angry that her hands were trembling. “B * Tch! Fine, fine, I’ll let you be stubborn. Let’s all attack together and kill them all!”

Hearing Liu Jinluan’s words, those people didn’t make any movements but looked at Liu Pinyan.

Liu Pinyan frowned. If it was only Yun Chujiu and the other two, they could have killed them without anyone knowing. But he didn’t expect them to subdue the three giant teeth wolves.

If they really fought, they might not be able to kill all of them. If the news was leaked, the Ye family wouldn’t let it go.

Liu Jinluan saw that Liu Pinyan didn’t say anything and was so angry that she gritted her teeth. “Brother, what are you thinking about? Why Don’t you let everyone kill them?”

Liu Pinyan gave her a look and then said to Yun chujiu, "Yun Chujiu, as long as you obediently apologize to my sister, I won't make things difficult for you on account of the relationship between the two families."

Yun chujiu curled the corners of her lips. "I'll give you the same words. As long as you give me all the Tianluo Flowers on you right now, I'll spare you. Otherwise, I won't be polite."

The people behind Liu Pinyan burst into laughter when they heard Yun Chujiu's words. was this Yun Chujiu Stupid? Although they had three Tianluo Gargantuan Wolves, they would definitely be at a disadvantage if they really fought.
