

The Yun Family's Ninth Child is an Imp! Chapter 2515

Qi ling was very shrewd!

Although it was trapped under the stone platform, it could still learn everything that had happened. It felt that although the little girl in front of it was a little sinister, she had a kind nature. At the very least, she would not kill it.

If she found someone else, then it would be hard to say.

“Missy, I was wrong. Let’s discuss it properly, okay? As long as you save me, I will definitely repay you properly.” Qi ling was cowardly and decided that no matter what, she would first regain her freedom.

Everyone was stunned by the speed at which Qi Ling changed her expression!

She had a threatening expression just a moment ago, but now she had become so obsequious. If she was not tied up, her tail would probably be wagging.

Yun chujiu glanced at Qi Ling. “How are you going to repay me?”

Qi Ling rolled her eyes. "Didn't you come in to pick the Sky Luo Flowers? I will give you a lot of Sky Luo Flowers."

Yun chujiu sneered. "Let's talk about the matter of repayment. Tell me about the monster honestly. If you dare to lie, HMPH!"

Qi ling blinked its eyes and was about to say something, yun chujiu took the kitchen knife and cut a hole on its ear. "This is a warning! Don't think that I don't know what you're planning. If you dare to be dishonest, I'll cut off your ears and fry them."

Qi Ling felt that it was most likely wrong!

What kind of character was this? This was a vicious and merciless female devil!

Hence, it changed its mind!

Qi Ling silently recited the chant in its heart. It was fully convinced that after reciting the chant, these people would all disappear in front of it.

After it finished reciting, it sadly discovered that, indeed, almost all the people had disappeared. However, the people it hated the most did not disappear. They were still in front of it.

It then remembered that the monster had set up a formation on this stone platform. Otherwise, it would have taken the monster away long ago.

Yun chujiu was very smart. When she saw that everyone had disappeared on the spot, she knew that this was the work of the Qi Ling. With a thought, she also understood the reason why she was not teleported away.

Yun chujiu used the kitchen knife to cut the Qi Ling's big ear again, she said coldly, "Fine, you little thing, you actually played tricks on me! Unfortunately, there should be a formation here, right? "You didn't teleport me away. How do you think I Should Punish You? "Should I cut off your ear or your tail?"

The Qi Ling said in a hurry, "Miss, you misunderstood me! I was afraid that after they heard about the benefits I gave you, they would get greedy and treat you badly, so I sent them away."

"Little Thing, do you really believe what you just said? Cut the crap. I want the seeds of the thousand-leaf golden-grade lotus and the dragon-blood ginseng. If you can take them out, I'll let you go. Otherwise, I'll kill you with Lightning."

Qi ling shivered. Although it was very tough and would not die easily, it was still a little afraid of lightning. Moreover, this female devil in front of him used a knife to chop at him without a word. It was really deadly!

“Miss, My Tianluo Mystic Realm only has the dragon blood ginseng and not the lotus seeds of the thousand-leaf golden-grade lotus. Can I use other heaven-grade spirit herbs to compensate you?”

Yun chujiu also knew that it was already very good that she could find one of these two herbs. Therefore, after bargaining, Yun chujiu extorted a lot of defensive spirit tools and heaven-grade spirit herbs from the Qi Ling before she reached an agreement.

After Yun Chujiu put the item into her storage ring, she looked at the Qi Ling with a smile and had no intention of letting it go.
