

## The Yun Family's Ninth Child is an Imp! Chapter 2516

Qi Ling panicked!

"Miss, you, why didn't you let me go?"

Yun chujiu looked at it with a smile. "Because I didn't keep my word! I bullied Qi Ling! Do you have any objections?"

Qi ling choked and fainted! It was too shameless! It had never seen such a shameless person!

Yun chujiu curled her lips and poured a basin of cold water on Qi Ling. The Sad Qi Ling woke up and cried loudly. "You can't Bully Qi Ling Like This! Doesn't your conscience hurt?"

"That's enough! Tell me about that monster. As long as you tell me the truth, I'll let you go," Yun Chujiu said with a serious expression.

Qi ling pouted and told her what happened.

Qi Ling had always been the ruler of the Tianluo arcane realm. It was living a comfortable life!

However, three months ago, the monster suddenly broke into the place where Qi ling was and brought Qi Ling to this cave.

The Qi ling summoned some Demon Beasts to rescue it, but unfortunately, they were all killed by the monster. Seeing this, the Qi Ling had no choice but to give up the idea of letting the demon beasts rescue it. It could only place its hopes on the humans who had come for the trial.

It was unknown if the monster still had the Qi Ling, but it didn't do anything other than tying it up and trapping it inside the stone platform.

Ever since the monster entered the cave, it had never gone out. It had only recently transformed its spiritual sense into a few monsters to go out to hunt for food. Especially on the night of the full 15th month, it released countless monsters. It seemed that as the monsters ate, its strength became stronger.

"Miss, I have no choice but to bring those people here. That monster threatened me. If I don't bring those people here, it will kill all the creatures in the other areas. I will surrender," Qi Ling said guiltily.

Yun chujiu snorted. It would be a ghost if she believed its nonsense! It was probably because the monster threatened Qi ling that Qi Ling gave in.

Yun Chujiu was concerned about another matter. She asked Qi ling, "Let me ask you, when was this cave built? and who carved the patterns on the green stone slabs on the ground?"

Qi Ling looked confused and innocent. "Miss, I can swear to God that since I became conscious, I have never found a cave here. "If I hadn't been caught and brought here, I wouldn't have known that there was such a place in my territory."

"Then when did you become conscious?"

"I can't count it. It has existed for tens of thousands of years." Qi Ling looked a little uncomfortable when he said this. He kept calling her "Little sister" as if he was pretending to be young.

Yun chujiu looked at Qi Ling's expression. It didn't look like it was lying. Could it be that the so-called divine Devil Hall had existed for tens of thousands of years?

Yun Chujiu felt that the Divine Devil Hall was very strange and dangerous. Su Yanran was taken away by a pair of giant hands that tore through the void. She didn't know where she was taken to.

Yun Chujiu had a feeling that she and Su Yanran would meet again. At that time, Su Yanran's strength would probably become very terrifying.

Qi ling saw that Yun Chujiu's expression had changed and did not speak, so he anxiously urged her, "Miss, I've told you everything I know. Quickly let me go!"

"If you bring her back, I'll let you go. I Won't lie to you this time." Yun chujiu recovered and said to Qi Ling.

Qi Ling brought Xue Wuji and the others back and looked at Yun Chujiu expectantly.

Yun chujiu curled her lips. "Little Thing, why don't You Learn Your Lesson? I'm just teasing you!"

Qi Ling: "..."

Damn it, it didn't want to live anymore! No one should stop it. It decided to die of stupidity!
