

The Yun Family's Ninth Child is an Imp! Chapter 2517

Xue Wuji and the others looked at the scene in front of them in confusion. Why was it that after a while, the Qi ling was like an eggplant that had been hit by Frost? Wasn't he quite lively before?

"Enough! Stop pretending to be dead! These people were all brought here by you. You Can't let them be scared for nothing, right? Hurry up and get some compensation for them. This time, I promise I won't lie to you." Yun chujiu used the tip of her foot to kick the Qi ling that was pretending to be dead.

Qi ling sobbed and gave everyone some sky luo flowers and high-level spirit herbs. Then, it looked at Yun Chujiu pitifully.

"First, swear that you won't take revenge on us. Then, I'll let you go." Yun chujiu didn't think that the Qi Ling in front of her was easy to get along with. It was always right to make it swear.

The Qi Ling originally had a little thought of revenge, but now it had completely dispelled it because it finally understood that the person in front of it was not human. It was better not to play tricks with her.

After Yun Chujiu waited for the Qi Ling to make the poison vow, she reached out her hand to help the Qi Ling Open the chain. She did not expect that the chain was made of an unknown material. She could not open it at all. Moreover, she did not find any mechanism.

Yun chujiu spread her hands helplessly. "Little thing, it's not that I have broken my promise. It's just that I can't open the chain that binds you."

The Qi Ling was about to Howl. It had given away its things and its moral integrity, but in the end, it could not open the chain? Was there anything worse than this in the world?

Yun Chujiu's conscience was rarely on the line. She probed, "Why don't I throw you into the fire and burn you? Maybe I can melt the chain."

Qi Ling rolled his eyes. This time, he really fainted!

Throw him into the fire and burn him?

Are you sure you want to unchain him and not burn him to death?

Yun chujiu touched her nose. was what she said wrong? Qi Ling was not a demon beast. He should not be able to burn him to death, right?

Jin Zhi really could not stand it. She walked to Yun Chujiu's side and said, "Little Jiu, try using your big kitchen knife. I think your big kitchen knife should be able to cut the chain."

Yun Chujiu felt that Jin Zhi's words made sense, so she raised her big kitchen knife and prepared to cut the chain on Qi Ling's body. Coincidentally, Qi Ling woke up at this time. When she opened her eyes, she saw Yun chujiu raising her big kitchen knife to cut it. She was so scared that she rolled her eyes and fainted again.

The corner of Yun Chujiu's eyes twitched. It was rare for Qi Ling to be so stupid!

Yun chujiu took the big kitchen knife and cut the chain. She did not expect it to cut the chain as easily as cutting a radish.

Yun chujiu had the principle of not wasting good things, so she put the chain into her storage ring naturally.

Qi Ling woke up again and found that she had regained her freedom. She was so happy that she did not want it anymore.

Qi Ling clearly remembered to eat but not to hit. Although Yun Chujiu had taught it a lesson previously, ever since Yun Chujiu had treated it to a barbecue, it had been following Yun chujiu around.

In the blink of an eye, it was time for the trial to end. Yun Chujiu canceled the temporary contract between the Demon Beast and the Queen Bee. Then, she comforted Qi Ling who was crying. A white light flashed and they left the Tianluo mystic realm.

The people outside the Tianluo mystic realm had no idea what was happening in the mystic realm. When they saw that less than 70% of the people had come out, they all panicked.

Everyone talked about their experiences. The people in the other regions had only been attacked by monsters. They did not know anything else. Everyone was confused.

In the end, a certain jiu came online and told them everything. Of course, in the process of explaining, there was naturally some work to be done, especially highlighting a certain Jiu's lofty sentiment of taking the big picture into consideration and sacrificing herself for others.
