

## The Yun Family's Ninth Child is an Imp! Chapter 2518

Although the people who were saved by Yun Chujiu felt that this guy was a little exaggerated, they also nodded their heads. If it weren't for Yun Chujiu, they wouldn't have been able to escape.

After Yun Chujiu was done talking, she took out the green stone slab with the higan flower pattern and told them about the situation regarding the Divine Devil Hall in the Qing Xuan continent and the Tian Yuan continent.

She didn't tell them about teacher Ma in front of everyone. She wanted to see how everyone would react. Moreover, who knew if teacher Ma had any accomplices? It was better to tell Dean Gongsun in secret so as to avoid alerting him.

When everyone heard Yun Chujiu's words, they were instantly in an uproar.

Divine Demon Hall? Earth profound qi?

Dean Gongsun and Dean Duanmu looked at each other. Although they usually didn't see eye to eye, this matter was of great importance. At this moment, the two of them had finally gotten rid of their differences and gathered together to discuss this matter.

The two of them had a simple discussion. They felt that this matter was not something that their two academies could resolve. They had to inform the other factions before making any further plans.

This time, many people had died and injured, especially in the WA Stone Academy. Their student identities were not ordinary. One could imagine that it would cause a huge uproar.

The two principals were deeply worried. If they had known this would happen, they would not have allowed the students to enter the Tianluo Mystic Realm.

However, there was nothing they could do to make up for their regret. They could only let the students and the teachers return to the academy first and deal with the aftermath.

The next day, Yun Chujiu went to Dean Gongsun and told him about teacher Ma. Of course, this fellow also did some processing. He said that teacher Ma had been killed by a golden light and that the credit was placed on Tiandao Cliff.

Dean Gongsun Heard This and the worry in his heart grew. Teacher Ma had entered Xingtian Academy more than ten years ago. Could it be that the Divine Devil Hall had already started their preparations at that time?

Yun chujiu passed the jade token of the Resurrection Lily and the identity jade token that she had found from teacher Ma to Dean Gongsun, then, she said, "Dean, there might be some of teacher Ma's accomplices in this academy. Therefore, it's best not to announce teacher Ma's matter to the public, lest we alert the enemy."

Dean Gongsun nodded. "I understand. You also have to be more careful. This time, you've ruined the Divine Devil Hall's good deed. I'm afraid they won't let you off."

Yun Chujiu's heart skipped a beat, and she said with a troubled expression, "Dean, what you said is exactly what I'm worried about. I didn't sleep last night. I have a favor to ask of you, and I want to ask for your help."

"What is it?"

"I can be said to be a thorn in the Divine Devil Hall's side right now. Moreover, they are in the dark while I'm in the light. My situation is really too dangerous!"

"I heard that in a few months, the primordial chaos sect will be recruiting new disciples, so I want to apply. "Can you grant me two months of leave? If I can pass, I will go to the primordial chaos sect. "If I can't pass, I will return to school." Yun chujiu said sincerely.

"This..." Dean Gongsun was in a difficult position. Usually, it was fine to ask for leave, but if he went to apply for the primordial chaos sect midway, it wouldn't make sense.

Besides, although Yun Chujiu's spiritual power had increased, it was almost like a Fool's dream for her to get into the primordial chaos sect. There was no way she could get into the sect.

“Dean, as the saying goes, special matters are specially handled. To put it bluntly, if it weren’t for my intelligence and cleverness, all the students in the two academies would have died. I have made a great contribution! “If anyone is unconvinced, you can ask him to look for me personally. I’ll definitely make him completely convinced.”Yun chujia straightened her back, she spoke quite confidently.
