

The Yun Family's Ninth Child is an Imp! Chapter 2519

When Dean Gongsun Heard Yun Chujiu's words, his heart relaxed a little. Indeed, if it wasn't for this little girl, he would have reached his limit as the Dean!

"Dean, what if I manage to pass the entrance examination? This would also give our Xingtian Academy's Dean Face, wouldn't it? ! When the time comes, our Xingtian Academy will be able to suppress the WA Stone Academy. This is a win-win situation!"

These words were said in Dean Gongsun's heart. He had spent most of his energy on competing with Dean situ over the past few years, finally, he nodded. "Alright, I'll make an exception for you! It would be best if you get into the academy, but if you don't, hurry up and come back to class."

"Thank you, Dean Gongsun! I knew you were more open-minded than that Dean situ! Don't worry, I'll definitely get into the academy. I'll do my best for you." Yun Chujiu said with twinkling eyes.

Dean Gongsun tried his best to be serious, but the corners of his mouth couldn't help curling up. Apparently, he was very happy to hear Yun chujiu say that he was better than Dean Situ.

"Director Sir, this is the Sky Luo secret realm of Qi Ling gave me, my alchemy level is limited, keep it will be wasted, or give you.". You refine the pills, give me a few I will be satisfied." Yun Chujiu said and handed Dean Gongsun a big wooden box.

Dean Gongsun took it and opened it. He was immediately stunned. The wooden box was filled with heaven rank spirit herbs, and there were as many as eight of them.

Dean Gongsun's hands began to tremble. It must be known that eight heaven rank spirit herbs were worth at least one billion high-grade spirit stones, and even if one had the money, one might not be able to buy them.

Dean Gongsun was about to refuse, Yun Chujiu said with a distressed face, "Dean, you can't Refuse Me. My spiritual power is low, and I'm always on Tenterhooks with these things. It's simply a crime to have a treasure. Please do me a favor and accept this hot potato!"

Dean Gongsun naturally knew that Yun Chujiu was just making excuses, but he couldn't bear to part with these spiritual herbs, so he was very conflicted.

Yun chujiu giggled, she said with a cheeky smile, "Dean, if you feel bad, then let Jin Zhi and Xue Wuji go with me to participate in the Primordial Chaos Sect's entrance test! I'm timid, so I'm a little afraid to go alone."

Dean Gongsun:"..."

He had been tricked! He had fallen into Yun Chujiu's trap! This little girl had lured him into a trap step by step. This little girl had probably planned to get three spots from the start.

However, she had only mentioned herself in the beginning. After he had agreed, she had used high-grade spirit herbs as bait to force him to agree to let Jin Zhi and Xue Wuji go with her.

Dean Gongsun Sighed in his heart. He still could not escape the word "Greed"! However, Yun Chujiu and the other two were not ordinary people. Sooner or later, they would soar to the sky. It was not a big deal to owe them a favor.

Dean Gongsun's face was stern. He reprimanded Yun chujiu indifferently and said, "Forget it! Xue Wuji and Jin Zhi have contributed a lot this time. Let them go with you."

After Yun chujiu thanked him profusely, she left Dean Gongsun's courtyard.

This guy couldn't wait to find Xue Wuji and Jin Zhi and tell them everything.

Xue Wuji and Jin Zhi were naturally very happy. The three of them chatted and laughed. Jin Zhi said, "Little jiu, it's going to be a month's holiday soon. What are you going to do?"

Yun chujiu touched her nose. "I have enemies all over the world now. I'm really afraid that I'll be hunted down once I leave Tianluo City. Otherwise, let's cultivate in the academy."
