

The Yun Family's Ninth Child is an Imp! Chapter 2520

Xue Wuji and Jin Zhi looked at Yun Chujiu speechlessly. She was right. This guy's ability to attract aggro was truly rare in this world!

Liu Shi, Ge Shi, Ye Xinwan, along with the Liu and fan families, as well as the Divine Devil Hall, this guy's enemies could be counted on one hand.

The three of them discussed and decided to stay in the Xingtian Academy to cultivate. In any case, a month's time would pass very quickly.

Unexpectedly, the plan didn't change as quickly.

Just as Yun Chujiu was about to obediently spend her holiday in the Xingtian Academy., dean Gongsun found her and said, "Due to the importance of what happened in the Tianluo Mystic Realm, the Sky Bearing Alliance has gathered all the major powers in the immortal Yuan continent, including the Hunyuan sect and the killing Yuan sect, to discuss the Divine Devil Hall's matters in the rising sky city.

"As you have dealt with the Divine Devil Hall before, and you are also aware of the Divine Devil Hall's matters in the Azure Mystic Continent and the Tian Yuan continent. "Therefore, I request that you participate as well. "Go back and pack up. Tomorrow, you will rush to the rising sky city with me."

Yun chujiu naturally agreed. What a joke. If she didn't agree, wouldn't she be looking for trouble. Besides, it was a good thing to meet all the big shots. Maybe the sect master of the primordial chaos sect would be kind enough to let her enter the sect directly.

This fellow was daydreaming, seducing Xue Wuji and Jin Zhi to go shopping together.

This fellow first bought a lot of chili noodles, and then bought a lot of pots and buckets. He even bought a few large vats.

Jin Zhi was very puzzled. "Little Jiu, I can understand why you bought so many pots and buckets. Why did you buy so many of them?"

Yun Chujiu said with a smile, "Of course it's to pretend to be delicious. Think about it. With so many big shots gathered together, how could there not be food and drinks? ! Moreover, the food and drinks must be high-end goods. I don't plan to order pots or anything. What will I use to pretend when the time comes?"

Jin Zhi:"..."

Alright, forget it. She didn't know such a shameless person.

Not only did this person buy these things, but he also bought some random things, such as red cloth, rapeseed oil, ropes, and so on. He had almost bought out the other person's grocery store.

This person had thought it through. Perhaps he would use something, so it wouldn't be a problem to prepare more. Besides, she had plenty of spirit stones at the moment. To her, spirit stones were just a number, okay?

MMM, the feeling of acting cool was really great!

The next morning, Yun Chujiu left Xingtian Academy with Dean Gongsun in high spirits.

When they arrived outside Tianluo city, they saw Dean situ exchanging greetings with Mayor Huang.

Besides a few guards, there was also an extremely luxurious flying spirit tool behind the two of them. Yun chujiu guessed with her toes that it must belong to the local tyrant, Mayor Huang.

Dean Gongsun nodded slightly at the two of them as a greeting. Just as Dean Gongsun was about to introduce Yun Chujiu to Mayor Huang., he heard Yun Chujiu say in a crisp voice, "Great-grandfather Huang, I haven't seen you for a few days. Why do you look so much younger? Damn, I'm too embarrassed to call you great-grandfather! Calling you great-grandfather makes me feel a little old."

Dean Gongsun and Dean Situ almost sat on the ground. What was this? ! When did this Yun chujiu become mayor Huang's granddaughter? Wasn't she from the Ye Family?

Could it be that the ye family's great-grandfather and Mayor Huang were brothers? But they also had different surnames!

Also, Mayor Huang's old face looked older than them. How could he be young? Little Girl, is there something wrong with your eyes? Is it really good for you to suck up so blatantly?
