

The Yun Family's Ninth Child is an Imp! Chapter 2526

What Old Master Ye did not expect was that his hand holding the Teacup was sore. Yun chujiu acted as if she did not understand what he meant by serving tea to send her off. She continued to sit there and Munch on pastries.

“Cough cough! Little Jiu, since there’s nothing else, you can go back first!” Old Master Ye was really at a loss and could only chase her away.

“Great-grandfather, it’s been a long time since I’ve accompanied you for dinner. It’s almost time for lunch, so I’ll just stay here and eat with you!” Yun Chujiu said with a smile.

Great-grandfather ye looked at Yun Chujiu speechlessly. He had just had breakfast, alright? It was still far from lunchtime!

Seeing that a certain jiu was staying here, great-grandfather ye could only say to her, “Since that’s the case, you can read here by yourself. I’ll go meditate and cultivate.”

“Alright! I’ll call you over when we’re having lunch.” Yun Chujiu’s reply was crisp and clear.

The corners of great-grandfather Ye’s eyes twitched. What was wrong with this little girl? !

Great-grandfather ye shook his head helplessly and went back to his bedroom to meditate.

Yun chujiu crossed her legs and took out her phone book to read. The reason why this fellow did not leave was obvious. Of course, it was to freeload lunch.

She did not want to deal with Mingyue and the other three right now, so she could only freeload lunch here.

This fellow counted with his fingers and finally endured until noon. Seeing that the maid had brought lunch, this fellow could not wait to invite Old Master Ye to the living room.

Yun chujiu looked at the sumptuous food on the table and almost drooled.

Old Master Ye glanced at her and coughed. "Little Jiu, behave yourself outside. A girl should behave like a girl."

Yun chujiu said cheekily, "There are no outsiders here! You are my closest and dearest person!"

When great-grandfather ye heard Yun chujiu say this, the little grudge in his heart disappeared a little. He scolded Yun Chujiu jokingly and helped her to pick up a few pieces of meat. "You little gluttonous cat, Eat!"

Yun Chujiu was stunned. Yun Xiaotian often said this to her. When she thought of Yun Xiaotian, her eyes turned red and tears almost fell.

Old Master Ye misunderstood. He thought that Yun Chujiu was touched, but in his heart, he couldn't bear it. She was just a child, but he was a little heartless.

Forget it. As long as she didn't cause trouble again, he could help her find a good family in the future. With the protection of the Ye family, she would have something to rely on in the future.

Yun chujiu calmed her emotions and picked up the meat in the bowl and put it into her mouth.

Unexpectedly, before she could chew, a suction force came from her dantian, and the meat was absorbed by the Guai Cao.

Yun chujiu could not help but be shocked. Could it be that the meat was poisonous?

Yun chujiu quickly used her spiritual sense to ask about the guai Cao. The leaves of the guai Cao swayed non-stop, obviously very excited.

It was really poisonous!

Yun chujiu picked up a few more dishes without batting an eyelid. They were all poisonous, except for the spiritual rice.

Yun chujiu did not tell old master ye that there was poison in the dishes. Firstly, she could not explain how she found out that there was poison in the dishes. Secondly, this poison probably did not only exist in this meal. It was too late to say it now. Thirdly, she did not want to alert the enemy.

Old Master Ye's status here could only be considered second-rate. His words did not carry much weight. If he claimed that the dishes were poisonous, he might be blamed by others. It was better to take a look first. Anyway, this medicine seemed to be slow-acting, and it would not kill anyone in a short while.

Yun chujiu thought of Mingyue and the other three, and she could not help but laugh in her heart. It was really retribution! If those four knew that the food was poisonous, their intestines would probably turn green with regret, right?
