

The Yun Family's Ninth Child is an Imp! Chapter 2528

The meeting hall of the sky bearing alliance was comparable to a small square. It could accommodate thousands of people without any problem.

The meeting hall was decorated with a grand atmosphere. Everyone sat down according to the arranged seats.

A certain Jiu also got a seat at the front. After being ignored for a few days, she finally tasted the taste of preferential treatment.

Yun Chujiu moved her chair back slightly so that she could peek around openly. Anyway, there were people on both sides blocking her view.

She found that the seats at the back were already full. Only the few seats in the front row were empty. It was understandable. After all, the big shots were the last to appear.

After a while, a few elders walked in while chatting and laughing.

Yun chujiu realized that she didn't recognize any of them, but there was one who looked somewhat similar to Fan Mingchuan. He was probably the head of the fan family.

When the crowd saw the few old men, they all stood up to greet them.

After the few old men took their seats, another three old men came in.

Yun chujiu knew that these three were most likely the sect master of the Hunyuan sect, the sect master of the Shi Yuan sect, and the Alliance Master of the Sky Bearing Alliance.

Sure enough, two of the old men sat on the chairs on both sides, while the other old man stood at the front without taking a seat.

“On behalf of the Sky Bearing Alliance, I, Yan, welcome all of you. I’m sure all of you know the theme of our meeting this time. A few days ago, the students of the Xingtian Academy and the WA Stone Academy were attacked by monsters during the trial in the Tianluo mystic realm, resulting in heavy casualties.

According to the surviving students, this matter involved a faction that they had never heard of before — the Divine Devil Hall. Yan felt that this matter was of great importance, so he had invited everyone over to discuss this matter together.

“I’ve specially invited the student who was involved to come over and have her tell everyone the details of the matter.” After saying this, Alliance Master Yan of the Sky Bearing Alliance turned to look at Yun Chujiu, who was standing beside Dean Gongsun.

Although Alliance Master Yan did not know Yun Chujiu, those who participated in the meeting were all old men. The youngest was also a middle-aged man. There was only such a little girl, so it should be that Yun Chujiu.

Everyone's eyes were focused on Yun chujiu. Dean Gongsun and Old Master Ye were both a little worried. This little girl was usually very sharp-tongued. Would she have stage fright in such a big scene?

They were clearly thinking too much. The more people there were, the more Yun chujiu could show off. She could have just stood in front of her seat, but this girl just had to walk to the middle of the meeting hall.

She first bowed to everyone, then said in a crisp voice, "This junior is Yun chujiu of the Ye family. Let me briefly explain what happened, then we will talk about the Divine Devil Hall in the Qing Xuan continent and the Tian Yuan continent.

"At that time, after we entered the Tian Luo mystic realm..."

Yun Chujiu's story was vivid and vivid, and the crowd could not help but exclaim as if they were there themselves. When they heard the last part, when Yun Chujiu said that a pair of big hands tore through the void and took Su Yanran away, some people stood up in surprise.

Tear through the Void?

Wasn't that a legendary divine ability?

How was that possible?

“Little girl, you sure have a sharp tongue. Your story is very vivid. However, exaggerating isn't a good habit. Do you know that it doesn't matter if you lie, but your words will cause the entire immortal essence continent to be in turmoil? Do you know your mistake?”The old man who looked similar to Fan Mingchuan said unhappily.

While the old man berated, he actually used his pressure on Yun Chujiu. Although he didn't use his full strength, the pressure he released was enough to make a person with spirit void cultivation kneel down.
