

The Yun Family's Ninth Child is an Imp! Chapter 2537

Just as the person in the flying spirit tool finished speaking, he heard Yun chujiu scream, "Sir Dean, you, what are you doing? Why did you tie me up?"

Dean Gongsun:"..."

"Great-grandfather, save me quickly! Don't tell me you're planning to hand me over as well? SOB SOB, I'm your biological great-granddaughter! Even a vicious tiger won't eat its own child!"

Old Master Ye:"..."

Everyone only had one thought in their hearts. This fellow really had a lot of tricks up his sleeves!

But that person from the Divine Devil Hall thought that Yun Chujiu and the others had rebelled in their nest. Mayor Huang and the others had planned to push Yun chujiu out as a scapegoat in order to escape for their lives. What a fool! Today, not a single one of them could escape.

That person called out cunningly, "How about this? Let's land on the ground. As long as you hand Yun chujiu over to me, I'll let you all go."

Mayor Huang saw Yun chujiu winking at him, so he could only say with a stiff face, "Alright, I'll believe you this time."

The Man from the Divine Devil Hall twitched his mouth. These people were really easy to fool. However, it was also true that they didn't have any spiritual power anymore. Besides obediently giving in, they didn't have any good ideas.

After Yun Chujiu's flying spirit tool landed, the four flying spirit tools of the Divine Devil Hall also landed. Several people wearing black masks walked out and surrounded Yun chujiu's flying spirit tools.

"Come down! You all have no spirit energy now. If you play tricks, you will be courting death!" A man wearing a silver mask said arrogantly.

Dean Gongsun and the others looked at Yun Chujiu. What did she mean? What should they do now? Should they continue to act or go out and fight?

They could only continue to act if they didn't go down. If they went down, the other party would immediately realize that they weren't poisoned. Could they continue to act?

Yun chujiu did not say anything. She only took out a few big sacks from her storage ring.

The guy lowered his voice and said, "These are chili noodles. In a while, I will attract their attention. You guys throw these things out through the observation window and the porthole.

"They will either use something to block or avoid it. No matter what they do, these big sacks will break. When that happens, we will use talismans or spiritual power to deal with them. Won't it be easy to turn the tables? !" Hehe..."

Everyone felt that the laughter was extremely scary. They could imagine that the people from the Divine Devil Hall were not on guard at all. If these sacks of chili were to go down, TSK tsk, the scene would definitely be beautiful.

After Yun Chujiu finished speaking., she ran to one of the observation windows and cried out in pain, "No! You Can't hand me over! This is an extremely shameless act. If you do this, you will be condemned by your conscience..."

Dean Gongsun and the others felt that these words were meant for them and felt a little uncomfortable. Yun chujiu gestured at them with her chin, and only then did they react and start to act.

The people of the Divine Devil Hall were very pleased when they heard Yun Chujiu's wail. One could imagine the excitement in their hearts when they thought that they had obtained the first prize of capturing Yun Chujiu alive.

The reason why they were so confident was because the higher-ups had clearly said that Mayor Huang and the others had all been poisoned and that there was no antidote for the poison that they had given

those people, therefore, they must have no spiritual power now. What was there to be afraid of for those who did not have spiritual power?

Just as they were feeling pleased with themselves, a few big gunny sacks were suddenly thrown out. Some of these people subconsciously stepped back, while others used their weapons to block, and then they suffered a tragedy!
