

The Yun Family's Ninth Child is an Imp! Chapter 2549

On the morning of the third day, Yun Chujiu and ye Bingyu bade farewell to Old Master Ye and prepared to return to Xingtian Academy.

Unexpectedly, Fan Mingchuan also followed them with their flying spirit tools.

"Cousin Jiu, Cousin Bingyu, I'm fine. I'll escort you back to Xingtian Academy," Fan Mingchuan said with a smile.

Ye Bingyu understood that Fan Mingchuan was here for Yun Chujiu. She thanked him with a smile and then tactfully went to another room.

Fan Mingchuan said affectionately, "Cousin Jiu, to tell you the truth, I fell in love with you at first sight. I've never seen such a smart woman like you. As long as you agree, I'll ask my family to come to the ye family to propose marriage. We can get engaged first. After you graduate, we'll get married."

Yun chujiu covered her mouth, and Fan Mingchuan was delighted. It seemed that Yun Chujiu was indeed playing hard to get. She must not be able to hide her excitement, and she was so excited that she was about to cry.

Unexpectedly, Yun chujiu retched twice. "Oh my God, Cousin Mingchuan, please forgive me, please forgive me. I didn't have a good breakfast, and it's a little disgusting."

Fan Mingchuan: "..."

After Yun Chujiu said that, she covered her mouth and went to ye Bingyu's room.

Fan Mingchuan glanced at his guard gloomily. That guard only felt that he wouldn't be able to see the Sun Tomorrow!

Fan Mingchuan gritted his teeth and asked in a low voice, "Is this what you mean by playing hard to get? Get lost!"

The more fan Mingchuan thought about it, the angrier he got. He wished he could just grab Yun Chujiu's neck and ask her why she didn't like him. However, when he thought of the orders of the head of the fan family, he could only pant and enter another room.

Ye Bingyu saw that fan Mingchuan had left, she asked softly, "Little Jiu, why did you reject cousin Mingchuan? This is a good marriage that can not be found even with lanterns. You Didn't see it. When Ye Bingying saw cousin Mingchuan fawning over you, she was so angry that she wanted to lash out."

"Your honey is like arsenic. No matter how good that Fan Mingchuan is, it's a pity that he's not my type." Yun Chujiu leaned on the recliner and said slowly.

Ye Bingyu shook her head. She knew that Yun Chujiu had an idea. Since her attitude was so firm, Fan Mingchuan was bound to return in defeat.

Fan Mingchuan might have suffered a blow and had not left his room ever since.

When the flying spirit tool arrived at Tian Luo City, he walked up to Yun chujiu as if nothing had happened. He said lovingly,

“Cousin Little Jiu, I will be staying in Tian Luo City for the next few days. We will go back to the Ye family together when the next day is off.”Yun chujiu looked at him speechlessly. “Cousin Mingchuan, Alright, I will tell you clearly that I will not like you! You better not waste your time on me!”

“Cousin Little Jiu, there is still a long way to go. Who can say for sure what will happen in the future! Anyway, it is still early. Why don’t we walk around the streets together!”Fan Mingchuan said with a smile.

Yun Chujiu’s heart was like a dog that was bickering!

She felt that even if fan Mingchuan held a knife and went against her, it would be better than pestering her like this. What exactly did he see in her? Couldn’t she change it?

Yun chujju sighed. "Alright!"! Since you're so persistent, I'll tell you openly that I already have someone I like. Not only is he handsome beyond compare, but his spiritual power is also superb. He's like a God in my heart. He's like the Sun in the sky. No matter who it is, they will be eclipsed by his light."

After Yun Chujiu finished speaking, she felt that her teeth were a little sore. Damn it, if the gigolo heard this, he would be so proud that he wouldn't know what to do!
