

The Yun Family's Ninth Child is an Imp! Chapter 2558

Ye Bingying tried to strike up a conversation with fan mingchuan several times, but Fan Mingchuan rejected her coldly.

Ye Bingying hated Yun Chujiu even more in her heart. She thought that Yun Chujiu had deliberately sent her to the fan family to be humiliated. When she gained a firm foothold in the Primordial Chaos sect in the future, she would definitely make this little slut suffer.

When Fan Mingchuan saw Yun Chujiu, he was still as gentle as jade. Even his attitude towards Xue Wuji and Jin Zhi was very good.

Unfortunately, Yun chujiu ignored him as usual.

Fan Mingchuan really wanted to leave with the fan family's guards, but he felt indignant. wasn't she just an ordinary stepdaughter? He did not believe that he could not handle her.

Therefore, even though Yun chujiu ignored him on the way, Fan Mingchuan still tried to curry favor with her.

Xue Wuji watched from the side and was amazed. This fan Mingchuan was even more attentive than he was back then. Unfortunately, this attention was only superficial. One look and it was obvious that he had other intentions.

Half a month later, everyone arrived at the city closest to the primordial chaos sect — Ninghai City.

Ninghai city was much bigger than rising sky city. It was bustling with life and wealth. The streets were bustling with activity, and there was an endless stream of pedestrians.

“Little ninth cousin, most of these people are here to apply for the primordial chaos sect. Because it’s not time yet, they will temporarily stay in Ninghai Chen,” fan Mingchuan said attentively.

Yun chujiu didn’t say anything. She thought to herself, isn’t this nonsense? ! Even a fool would know, okay?

Fan Mingchuan seemed to have gotten used to this kind of disregard, he still said enthusiastically, “Little ninth cousin, I’ve Been To Ning haichen a few times before. I know an inn that is safe and quiet. Let’s go there to stay! “After settling in, I’ll bring everyone to Ning Haichen’s most famous immortal drunk for a meal.”

Yun chujiu curled the corners of her lips. “Cousin Mingchuan, many thanks to the guards of the fan family. Since we’ve already arrived at Ning haichen, let’s go about our own business. Please go ahead!”

As Yun Chujiu spoke, she turned around and turned into an alley. Xue Wuji and the others naturally followed her.

Ye Bingying bit her lips and did not move. The guards of the Ye family were somewhat at a loss. Should they follow the young miss or stay behind to protect the young miss?

They all looked at the small leader. The small leader felt that ye Bingying had a higher chance of entering the primordial chaos sect. Moreover, Ye Wenhong would be the family head of the Ye family in the future, so it was better for them to stay behind to protect ye Bingying.

Therefore, the guards of the Ye family all stayed behind.

After ye Bingying caught a glimpse of it, she was very pleased. Did Yun chujiu really think that she was amazing? At the critical moment, she could see who was the master of the Ye family.

Ye Bingying learned her lesson this time. She didn't say anything and just stood quietly at the side. After fan Mingchuan's expression eased up, she said,

"Cousin, the most important thing now is the entrance test of the Hunyuan sect. Little Nine and the others didn't have a high chance of getting in, so they didn't put too much effort into it. "We are different. Let's pass the entrance exam first and then think about other things."

Fan Mingchuan was silent for a while, then said, "Let's Go! Let's go to the inn first."

Ye Bingying was delighted. It seemed that her mother was right. Men liked sensible girls. That Little B * Tch Yun Chujiu definitely wouldn't be able to get into the Hunyuan sect. When that time came, she would have many opportunities to interact with cousin Mingchuan. He would definitely change his mind.

Yun Chujiu led the group through an alley and arrived at another street. When she turned around and saw that fan Mingchuan and ye Bingying did not follow, she immediately felt refreshed.

However, Ye Bingyu was a little disappointed, she complained softly to Yun chujiu, "Little Jiu, those guards actually did not follow us. We are clearly the masters of the Ye family, yet they actually chose to stay there to protect ye bingying. This is infuriating!"
